

The Warhorses open their 1961 schedule with a home game against Reynolds on Friday night, Sept. 1 at 8 p.m. Following the opening game with Reynolds they will play host to Lee Edwards on Sept. 8, and Enka on Sept. 15. It is hoped that capacity crowds will be on hand to support the Owen Warhorses at these first three home games in September. Some additional temporary stands will be erected if at all possible in order to accommodate the overflow of home fans as well as the expected large number of visitors for the Lee Edwards game. Coach Barnwell is being assisted by line coach Buck Lada, backfield and J.V. coach Ralph Singleton at present. Coach Art Ditt is recovering from an ear operation and is expected to join the coaching staff about the opening day of school.

Attention Parents of Little League and Babe Ruth League Ballplayers

The annual picnic for all Babe Ruth and Little League players is to be held Saturday, August 26. The picnic is for all the parents of these ballplayers, the umpires, and the ball players.

We, at the Youth Center, are undecided as to whether the picnic should be held at Old Fort or here at the Youth Center. This is your picnic and you are the ones to decide. We have all the facilities needed right here with the exception of grills. We have asked some of the parents for picnic benches and tables and so far have been successful. We do however need more money help will be appreciated.

All parents of these players should contact Jerry Mancini at the Youth Center and let him know your thinking on the subject as soon as possible. We need to know where to have the picnic and how the preparation of food is to be handled. Let's make this picnic the best we have ever had!

as much as the other." Mayor Dick Stone said. "We have many people still afraid to drive or to let their families drive over this three lane highway any more than is absolutely necessary."

"Even after the completion of I-40 now set for 1965 or later, we will still need a four lane road through the Swannanoa Valley to serve the local population and the hundreds who come here each day to work.

"It would not cost a great deal to build but it would mean millions to the county and to Western North Carolina," the mayor concluded. The representatives of industry said frankly that they would not recommend this area for new plants or for expansion of existing facilities until this disastrous situation is remedied.

W. W. Earley, president of the Chamber of Commerce, pointed out that the chief reasons given by the highway commission for not providing a fourth lane was that I-40 would carry the traffic when completed and that part of No. 70 is on Southern Railway right of way.

He strongly rejected these arguments and contended that both would bear much closer investigation. Among those conferring with the county representative to the regional planning commission, in addition to those mentioned, were A. F. Tyson, Jr., Dr. Frank Howard Richardson, and R. T. Greene, representing the Town of Black Mountain and the Chamber of Commerce, and Gene Ford, Excelsior, and Charles Riley of the Keaffort company.
