

# MONTREAT

Miss Julia Stokes

The circles of the Women of the Montreat church were delayed one week as the all-day meeting of the Women of the World Missions was held on Tuesday, Jan. 9 in the home of Dr. and Mrs. Billy Graham on the mountain. The meeting began at 10:30 and lasted till 2:30 with a luncheon break at noon. Mrs. L. Nelson Bell was chairman of the meeting. Speakers on the different countries that have given missionaries were given by those who have been in the service.

On Tuesday, Jan. 16, the circles will hold their regular monthly meetings. Circle 1, Mrs. C. Grier Davis, chairman, will meet with Mrs. Joseph Hopper on Mississippi road at 3:30 p.m.; Circle 2, Mrs. Marion Corbett, chairman, meets with Mrs. Corbett on Missouri road; Circle 3, Mrs. George Stockton, chairman, will meet with Mrs. W. Frank McElroy on Mississippi road; the Business Woman's Circle will meet at 7:45 p.m. in the home of the chairman, Mrs. Kay Stutts, on Virginia road.

Some of the men attended the meeting of the Women of the World Missions program Tuesday. The Men of Montreat held their regular monthly meeting on Monday, Jan. 8 at 6 p.m. for a supper. The meeting followed the supper in the green room of Assembly Inn. Dr. Ivan Stafford, vice-president of the men, presided. The speaker was Ray Harvey of Montreat college who spoke on "This I Believe".

Some 25 members of the Oakland Avenue Presbyterian church of Rock Hill, S. C., held a retreat in Assembly Inn over the week end. This was an officers' retreat and one new elder and four deacons were elected. They were: Jack Emmerson, James Gallan, Charles D. Okey, Jr., and Rev. William R. Klein, former pastor of Black Mountain Presbyterian church. They also discussed the building of a new educational building in the Rock Hill church.

The morning worship service of the church was held at 7:15 p.m. in the Rock Hill church. The morning worship service was held in the home of Perryville, Mo.

David Stockton spent this week end with his parents, Mr. and Mrs. George Stockton.

## Armor Division Of Army Is Now 185 Years Old

The modern Army's most powerful ground striking force celebrated its 185th anniversary this past Dec. 12. First organized in 1776, today's Armor is a far cry from the horse cavalry regiment first authorized by the Continental Congress.

Modern Armor is the outgrowth of horse cavalry, dragoons, mounted rifles, and mechanized cavalry. It has evolved into a Combat Arm of the U. S. Army that is highly mobile with the ability to maneuver, control and direct tremendous firepower on the battlefield.

With its great staying power and its raw shock effect, Armor is ideally suited to support Infantry units by destroying hostile armor and adding strength to the attack through its firepower and mobility.

It can live and fight in the atomic battlefield. It can range far and wide in dispersed formation and when the need arises it can concentrate rapidly to take advantage of friendly atomic weapons. Armor can also disperse quickly to minimize the effects of enemy atomic weapons. Armor tactics are based on rapid but thorough estimates and deliberate planning, followed by bold and violent execution.

Soldiers in this Combat Arm must possess daring, audacity, and great physical dexterity and mental mobility. The efficient, precise, and decisive weapons employed by Armor are made so only by the intelligent, daring armor soldier, the ever-important man who directs and operates these monstrous but marvelous machines.

If you can qualify, there's a place for you in the hardest hitting outfit in the U. S. Army. See your Army Recruiter Wednesday at the local Post Office.

## Owen Bounces Erwin Twice

Owen High's cage teams found the range Saturday night as they bounced Erwin in a postponed doubleheader at the Owen gym. The games were postponed from Friday night because of inclement weather.

Coach Joyce Elliott of the Owen girls used 10 players in posting a 25-23 halftime lead. The Warlasses went on to win by five points, 44-40. Reed with 23, Greene with 11, and Byas with 10 were high scorers for Owen. In the backcourt Sandra Haney was outstanding on defense.

Owen's boys had an easier time as they stormed to a convincing, 45 to 27 win. Cecil Caldwell, who has been out of action for several weeks, returned to the lineup and aided materially in the victory.

## Protestant or Catholic?

In today's welter of many churches and many beliefs the person who discovers his need for a church is at loss to know which way to turn. We're asked, "What is the Episcopal Church? You say it's protestant but it doesn't look it."

The full name of our church is the Protestant Episcopal Church. It is reformed in that it did away with certain abuses of the Middle Ages and to this day it protests the error of unwarranted and unscriptural additions to the Faith.

Yet, it remains Catholic — to quote the book of Common Prayer — "because it is universal, holding earnestly to the Faith for all time, in all countries, and for all people, and is sent to preach the Gospel to the whole world." The Episcopal Church is not "just another denomination" — it is a democratic and constitutional Catholic Communion — a true part of the historic, primitive Catholic Church.

The Episcopal Church looks upon belief in God and following Christ's teachings as a part of every day life, not something set aside "for Sunday consumption only." We go to church to worship God and to be made strong by His Grace through prayer and Sacrament. We invite you to join us, today.

No Obligation — Read Chad Walsh's appraisal of the Episcopal Church. Send for your copy today.

## HERE ARE 2 OF THE NEW JET-SMOOTH CHEVROLETS

WHICH ONE IS THE CONVERTIBLE AND WHICH THE HARDTOP?

Top one's our new Impala Sport Coupe whose steel roof line is a dead ringer for the Impala Convertible's below. But after rich new styling, what? In glamor and go, comfort and craftsmanship, here's all you'd reasonably expect of an expensive car. Except the expense.

Slip inside a Jet-smooth Chevrolet, relax and just notice how good you feel. Ready for action? Just flick the key and let'er purr (your choice of two standard engines—a 135-hp 6 or 170-hp V8—or optional-at-extra-cost V8's way up to a 409-hp mile-shrinker). That gentle cradling motion you enjoy is Jet-smooth ride at work. And the rich interior and neat craftsmanship are Body by Fisher at work. Have your dealer give you the whole story. That's the work he loves best.
