**Church Affairs:** "Prayer Retreat", held on Tues. p.m. Sept. 11 was a time long to be remembered by the few who attended. Camp Crest-ridge Chapel was an ideal place of beauty and quietude where it was easy to "draw near to God."

A program on State Missions at the Wednesday evening Prayer Service will feature a special film, strip with interesting information. Our prayers and gifts are needed NOW for this great cause.

The Olive Lawton Circle of WMS met Thursday evening in the home of Mrs. E. H. Snypes. A devotional period led by Miss Arvine Bell preceded the business session during which time the following new officers were elected: Chairman, Miss Bell; Co-Chairman, Mrs. Paul Turner; Sec.-Treas., Mrs. E. H. Snypes. Heading the committees were: Program, Mrs. L. L. Biddix and Mrs. Wayne Chastain; Mission Study, Miss Alice Turner; Community Missions, Mrs. Wilford Johnson; Prayer, Mrs. George Hecutt. Among the guests who constantly come and go through the year to the W. O. Southland House are many who attend the little Ridgcrest church. Accidental damage to telephone and power lines, caused by depth blasting near the big So. Railway tunnel, made headlines in the daily papers papers last week. We don't know all that takes place during this gigantic operation, but we do know that mighty machines continue their work for 12 hours daily, and that in the tunnel itself three shifts of workers labor day and night, including Sundays. The finished job will certainly be a man-wrought miracle.
