Interested in a one-stop shopping list for Christmas? It's easy to fill the family stockings with something special for every member of the family. A visit to a nearby electric appliance dealer will help you select gifts that are both practical and appreciated.

For Mother there are scores of timesaving, small appliances to brighten her holiday as well as save her time, steps and effort for years to come. For Dad, you'll find power tools or perhaps an electric razor. And for the children, there are electrical toys as well as more practical gifts.

Why not solve your family gift problem with a one-stop shopping trip to a nearby appliance dealer? When you give better electrically, you're sure to please that "someone special."
