Imaginative A very refreshing treat was

in store for those who viewed the exhibit of art work from the school students of the Swannanoa Valley. The judges, Eric Fris, Mary Beth Bucholtz, and Martina Wadewitz, all of Asheville, had high praise for teachers in the elementary grades who encouraged freedom and imagination in art work. Although the judges were not strict impressionists themselves, each had taught children's art and were more inclined toward imaginative work.

One hundred and eighteen entries were exhibited and represented a variety of mediacharcoal, pencil, water color, poster paint, crayon, collage, pastel and oil. In the contest of the first through fourth grades Marty Quinn, Bill Joy- JC Speaker ner, and Audry Mixon received 1st, 2nd and 3rd place in the poster paint division. Johnny Burgess, Stanley Burchfield, and Danny Dalton received 1st, 2nd, and 3rd place in pencil and charcoal. Johnny Burgess, 1st grade student,

through the eighth grades there were so many entries ing poster paint and sparkles, the following artists placed 1st, of Appleton High School and Georgetown University, Judy Gray, and Sharon Fore.
