OWEN GIRLS—

(From Page 1)
within four points but the margin was enough.

There is a tremendous difference between a man-to-man defense and a full court press. TO END SEASON

The local teams will bring the regular season to a close next week.

After playing Enka here this coming Friday evening, and Waynesville there Tuesday, Feb. 12, Owen will end the regular season by entertaining Hendersonville here on Friday, Feb. 15.

GIRLS WIN

Owen's guards set up a tight defense that held Brevard to one point in the first quarter and three for the entire half as the Warriors raced to an easy victory, 23-15. The taller Brevard girls never seriously threatened and the locals coasted to victory.

WARHORSES LOSE
Coach Ralph Singleton's Warriors, showing signs of great improvement in their defensive game, put on a drive in the final minutes but the effort fell short and Brevard walked off with a thrilling 47-44 decision.

Singleton, who has been working the boys hard on the full court press, saw the defensive effort as the bright spot in the game. As he has pointed out on more than one occasion, this type defense is not taught overnight but must be learned by patience and hard work.

—It has been suggested that the trouble with each generation is that it hasn't read the minutes of the last meeting.

When the Town board agreed to discontinuance of the meters until June 1, it was brought up in discussion that parking of their own cars on the streets by persons in the stores and offices might be the result of masking of the meters.

The Merchants division wishes to remind everyone that parking space is for the convenience of the shopping public, and asks that every consideration be given to this. Adequate parking space is available at the rear of stores and in free parking lots.

Merchants have reported that numerous local as well as out of town shoppers have expressed their pleasure in shopping without fear of getting a parking ticket.
