Police Dept. Promises Aid During Holidays

H. B. (Robby) Robinson, local policeman, spoke to the Black Mountain Chamber of Commerce members at their regular monthly meeting held Tuesday, Sept. 17 at noon at the Monte Vista.

Mr. Robinson promised the cooperation of the police department with the merchants of the town in the matter of cashing of forged checks during the holiday season. He cautioned the merchants that they, too, should be more cautious at such times and make the effort to identify the customer by his driving license, and social security card. He also believes that, merchants and police working together, shoplifting can be more effectively eliminated.

Both president Jim Uzzell and Weldon Earley commended our police department and praised them for their work in the past, stating that we have a force of which we could be proud. Mr. Earley was loud in his praise of their cooperation in the school safety program.
