A&P Managers' Week has a threefold purpose. First, to honor our Store Managers by giving them a week in which to run a storewide sale of their own. Second, to express special appreciation to customers for their patronage. And third, to renew our famous pledge of service to the public. The minute you walk into your A&P you'll see that our Managers are determined to fulfill all three objectives. You'll see every department loaded down with the values you like best — all personally selected by the Managers themselves. You'll enjoy shopping in a clean, well kept and fully-stocked store. And you'll sense a spirit of re-dedication to service in the courteous and efficient way A&P personnel assist you. So, come in during this very special week. Even if you're not an A&P customer, our friendly people will make you feel at home the minute you walk in. You'll like the clean bright and easy-to-shop store. You'll reap a windfall of savings on our Manager's choice of values: We think you'll like A&P enough to come back for more and more. Millions do.
