Seals, of Morristown, Tenn., an uncle and aunt of Gene's. As a coincidence these folks lived in Knoxville about 30 years ago—all my people live in Knoxville. When my father and mother were young married folks they lived in the Chucky Bottoms section above Morristown, where my mother one day caught a cat fish from the Chucky River so large she had to call for help to land it. We met as strangers but had much in common to talk about.

Mr. and Mrs. Alvin Connor and children, Eugene, Keith, Harold, Darrel, Joe and Debbie, came by from the Connor section.

Mrs. Ben Laughter with Mr. and Mrs. Grady Roach were in the community Sunday inquiring about the decorations. Cherry Springs homecoming is next Sunday, then comes Davistown with Stone Mountain the second Sunday in September.

Last week while canning, and the house all cluttered, we had as "glad to see" visitors, Mr. and Mrs. Laurence Brown. We were glad to see

them looking so well. I remember over 50 years ago Laurence and his mother, with two more small children being our guests. Laurence stood close beside me while I played the organ for him. I have enjoyed his singing with Flake Moffitt and others at funerals.

Mrs. Edna Bledsoe with two children and sister, Mrs. Dorothy DeLille and baby, of Merrit Island and Coco, Fla., have been visiting their parents, Mr. and Mrs. Walter R. Davis of Black Mountain. Their husbands were at work so Dorothy drove them up.

Mr. and Mrs. Clifford Walker and children, Judy, Leon, Morie and Murrell were our dinner guests Friday. A little peach tree in the garden furnished the children a small treat.

Mr. and Mrs. Burpeau and son, Bobby, left for their home in Miami, last Thursday. The folks come and go. Mr. and Mrs. Wilson, who have been taking their vacation at Miss Pinholster's place "Dream Haven" returned to their home in Florida last week.

Mr. and Mrs. John Bowerman and sons, who have been visiting Mrs. Bowerman's parents, Mr. and Mrs. James Hall and son Roy, on Broad River, have returned to their home in Cincinnati.

Mr. and Mrs. Charles Brockway and son, Bob, who have been building a garage and other improvements on their property in the Clear Branch section, returned to their homes in West Palm Beach on business some weeks ago.

Mr. and Mrs. Brockway have arrived back in their place in this section, last Thursday.

Mr. and Mrs. Herman Morris, of West Palm Beach, who have been visiting Herman's sister and husband, Mr. and Mrs. Carl Stamey and daughter, Blanche, in Black Mountain, have returned to their home.

Death:
 Sympathy is extended to the Miller family upon the recent home-going of Fred L. Miller who died in an Asheville hospital last Monday after a brief illness.

Through the years Mr. Miller has served as a pillar of strength for all that knew him. His many charitable deeds have touched the lives of the entire Brookside community. The adults will long remember him for the times he listened to their problems, gave advice, took care of business, and performed other charitable deeds without looking for thanks.

The young will remember him by the interest he showed in their welfare by the many recreational activities he began.

There will be some who will hold fond memories of the Clubhouse he made for his niece and her many friends.

The community, too, will remember how he gave his time and energy to help get a Community Building.

We are sure that there are countless acts of kindness that Fred has done that only he and the person that he befriended will ever know about for he did all things in a quiet and unassuming manner.

Yes, Mr. Miller has gone, but leaves with us many pleasant memories that will keep him alive in our hearts for years to come.

Services were held on last Thursday at Mills Chapel Church.

CHRISTIAN SCIENCE SUNDAY TOPIC
 Continuing a series of Bible Lessons on names which belong to God, the subject at Christian Science services on Sunday will be "Soul."

The Bible readings will include this verse from Psalms: "Give unto the Lord the glory due unto His name; worship the Lord in the beauty of holiness."

Related readings from the Christian Science textbook will include these lines: "Immortality, exempt from age or decay, has a glory of its own—the radiance of soul... Beauty is a thing of life, which dwells forever in the eternal Mind and reflects the charms of His goodness in expression, form, outline, and color" (Science and Health with Key to the Scriptures, by Mary Baker Eddy, p. 247).
