A Special Message To Television Viewers In Black Mountain

WSPA-TV is deeply appreciative of the many fine telegrams and letters we have received from those who live in Black Mountain, Swannanoa, Montreat and others who live in the valley telling us how much they are enjoying our programs from our Channel 10 translator on Big Allen Mountain.

Typical of these is this letter from Mr. and Mrs. C. M. Wolfe of Black Mountain:

"Just a note of appreciation for providing our area with the tower and clear reception of Channel 10. We had been receiving you on Channel 7 with 'ghosts' and appreciating that reception when few others could get it, so you know our joy that all can enjoy your programs now so clearly.
"Truly Monday night is our Channel 10 night with many other program treats the rest of the week.
"Thank you for this service adding to the growth and enjoyment of this beautiful land of the sky."

CBS has more popular programs than any other network. It is a source of pleasure that we are now providing good reception of these and other WSPA-TV programs in several thousand homes in the Black Mountain area which previously had poor reception.

It is our hope that all those who live within 15 or 20 miles of Big Allen Mountain, just north of Black Mountain, are aware of this new television facility. Any television home in the Black Mountain, Montreat, Swannanoa area by proper antenna orientation can now receive crystal clear WSPA-CBS television on Channel 10. Those not receiving a ghost and snow free picture should consult their television serviceman.

SEE THE BEST ON CBS!
