

State Officers Speak At Institute

ASHEVILLE FEDERAL

Stands for the BIG BALANCE

... you can build for whatever date you set. Try this:

Gather up the idle dollars you have, and open an Asheville Federal dividend - paying savings account. Then add a few dollars each month - as many as you reasonably can. Four times a year Asheville Federal will pay you a generous dividend, and...

This all adds up to a good, healthy cash balance sooner than you'd think. Try it!

ASK ABOUT OUR INSURE-YOUR-GOAL savings program, an attractive combination of regular saving and life insurance.

ASHEVILLE: Church Street BLACK MOUNTAIN: State Street

The District 2, N. C. Federation of Woman's Clubs held its annual summer institute, Thursday, July 25, in Black Mountain United Methodist Church.

Hostesses for the event were the Black Mountain Woman's Club and the Black Mountain Junior Woman's Club.

Principal speakers included Mrs. George Ross of Wilmington, first vice president of NCFWC, who encouraged the club women to know their responsibilities and Mrs. J. W. Weathers of Youngsville, second vice president who spoke to the group about opportunities for club leaders to serve their communities.

Devotions were given by the Rev. Joe Warner of the United Methodist Church. Mrs. T.W. Nesbitt, President of District 2, presided during the business session.

Musical entertainment was provided by Miss Scotty Uzzell and Miss Lee Hudson of Black Mountain.

District chairmen who conducted workshops in the various departments and divisions of the Federation were fine arts, Mrs. R. C. Moss; sewing, Mrs. Harry Atkins; arts and crafts, Mrs. William Styles; public speaking, Mrs. J. R. Winning, education, Mrs. Gary Harthcock; home life, Mrs. Curtis Bollar; music, Mrs. Richard Hoffman; public affairs, Mrs. Ray Miller;

International Affairs, Mrs. E.E. Crisp; conservation, Mrs. George Schroeder; club Presidents, Mrs. J. W. Weathers; and scrapbooks and yearbooks, Mrs. B.K. Miller. Several district clubs were represented at the institute. Representing Asheville were The Community Club, The Etheridge Club, The Twentieth Century Club, and The Junior Woman's Civic Club; Black Mountain, The Woman's Club, and The Junior Woman's Club; Brevard, The Junior Woman's Club, The Book and Plate Club, and the Fortnightly Club; Hendersonville, The Forrest Woman's Club, and the Junior Woman's Club; and Saluda, The Woman's Club.

Mrs. Nesbitt announced the next District 2 meeting would be on October 3 in Brevard.

Homemaking

When you reach for a peach you will find that - one pound fresh peaches equals 3 medium size peaches or 2 cups sliced peaches. Two pounds fresh peaches equals 1 8 or 9-inch pie. If you freeze or can peaches... plan your time to match the ripening time of your favorite peach, use recommended varieties and know what amount to expect so that you have adequate containers ready. 2 1/2 pounds fresh peaches gives 2 pints canned or frozen.

ALLAN F. LEE

Lee Promoted

BARBERTON, OHIO - - Allan F. Lee has been named a foreman in the pressure vessel shop at The Babcock & Wilcox Company, it was announced by W. B. Bolich, Barberton works manager.

A native of Akron, Ohio, Lee joined B & W as a helper in the tube shop in 1962. Following various assignments in the tube shop and maintenance and construction, he became a bender in the pressure vessel shop in 1965 and from June, 1966, until this latest advancement was an inspector.

Lee is the son of Mr. and Mrs. Floyd S. Lee, 1298 Childs Ave., Akron. He is married to the former Dianna Davis of Black Mountain, N. C. The couple has three children and resides at 1565 Herkender Ave., Akron.

Letters to the Editor are always welcomed by the Black Mountain NEWS, but will be published only if signed by the writer.

Opinions on current local, state, national or international affairs SHOULD be voiced, and the "Letters to the Editor" column is the place to share these thoughts with others. This proves that you are an interested citizen and willing to submit your opinions and suggestions to the public.

There is no charge for publication of these letters, but they must be of current public interest and signed by the writer.

Congressman Taylor Praises Space Program

WASHINGTON - Congressman Roy A. Taylor Thursday joined in support of a House resolution expressing gratitude for the safe return of the Apollo 11 astronauts.

As a member of the House Science and Astronautics Committee, Taylor was among those who witnessed the liftoff at Cape Kennedy on July 16.

In a statement placed in the Congressional Record Thursday, the Congressman expressed confidence that the space program "has done much to restore American prestige in the eyes of the world and to make people in other nations proud of this Yankee daring, with the whole world watching."

He observed that many space program expenditures have been returned to the American people in the form of wages, taxes and advanced technology which has manifested itself in countless improvements in the nation's living standard.

He added, however, that future space exploration should be undertaken jointly with other technically advanced nations and noted that he has joined in the co-sponsorship of a concurrent resolution extending such an invitation to other nations.

"I believe the time is right for national rivalry in the realm of space to be put aside and for a truly international space effort to begin," he said.

Tax Support Increased

RALEIGH - - North Carolina motorists have increased their annual tax support for highway transportation by about 66 per cent during the past decade.

An analysis by the Automobile Manufacturers Association shows North Carolina state highway user revenues have risen from \$128 million in 1958 to \$214 million last year. Included are motor fuel taxes, vehicle registration fees, motor carrier and other miscellaneous user charges.

The study as reported by Joseph J. Moylan, AMA regional government relations and information representative shows annual tax receipts from the sale of motor fuel climbing from \$97 million to \$151 million in the 10-year period.

Moylan pointed out that North Carolina also provides about \$152 million annually to the Federal government in automotive excise taxes.

He said that special motor user taxes now represent 21.8 per cent of total North Carolina state taxes.

Southern Bell Services Increase In June

June is the month for wedding bells, but telephone bells are ringing with rivaling frequency in the Black Mountain-Swannanoa area.

According to M. W. Carson, Southern Bell manager for Buncombe County, new telephone installations are running above last year. Over 225 telephones have been installed during the first half of the year. All phones are being used more, averaging eight calls per day. Long distance calling has increased about 15% for the year and is totalling over 40,000 calls per day in the Asheville operating center.

The Black Mountain - Swannanoa switching centers now serve over 6,000 telephones and at a daily average calling rate of eight calls per set, it's easy to see how telephone bells are ringing more than wedding bells this June. But Carson quickly notes that it's the wedding bells which help keep the telephone system growing and business humming in our area.
