## Thank God For Violent Youth

RIDGECREST, N. C. - "Thank God for the Violent, unreasonable students and youth of Indonesia," William McElrath, missionary to Indonesia, told 2,500 women attending the Women's Missionary Union Conference at Ridgecrest Baptist Assembly here.

"If the youth of Indonesia had not been rebellious and had not turned into the streets, their country would be a Communist nation, and I would not be a Southern Baptist Missionary to Indonesia today."

"The young men saw visions in Indonesia, visions of a new world, a new nation, and a new life in Christ," McElrath said.

Speaking on the conference theme, "Seal us . . . for Service Today," McElrath concluded his message by snapping his fingers once each second for several minutes. He then concluded, "If you were to count one lost person in our world every time I snapped my fingers, hour after hour, day after day, it would take us until the end of the year 2042 to count the persons that need to be reached for Christ at this very hour."

## Correction

Recently we published a story concerning back wages found due by the Wage and Hour and Public Contracts Divisions, U. S. Department of Labor, in the areas served by this paper. The story erroneously said "Employees newly covered as of February 1, 1967, (under the Fair Labor Standards Act) must now be paid at least \$1.30 an hour and time and one-half hours in excess of 44 in a workweek." It should have read "at least \$1.30 an hour and time and one-half for hours in excess of 40 in a workweek."
