

Warhorses Get Good Effort But Go Down

Four players scored in double figures to give Pisgah an 82-58 Mountain Athletic Conference victory over hosting winless Owen Friday night. Pisgah took the Jayvee game, 87-52, and the freshman tilt, 64-37. The Bears forged ahead 21-8 in the first quarter but then found themselves outscored in both the second and third periods and had to battle from a six-point lead, 46-40 in the third period to the final winning margin. Mark Turner got 18 points and Steve Davidson 11 to top the scoring for Owen, now 0-6.

Freshman Basketball

REYNOLDS 62 OWEN 37
All of Reynolds' starting five average 6 ft. or better. Owen played without Spencer and suffered on the boards. Ronny Parker put in 14 points. Preston Walker added 1 in the losing effort.
BREVARD 58-OWEN 48
Owen led at the half by seven points but couldn't hold on because of foul trouble. Spencer still out. Preston Walker threw in 22 points but could not score enough to stop a determined Brevard team.

OWEN 62 WEST HENDERSON 36

The running, pressing and tremendous speed of the Warponies finally jelled as they blasted Brevard into oblivion. Porky Spencer returned to the squad, threw in 14 points and grabbed 14 rebounds to give Owen much-needed height and rebounding. Stan Turner was everywhere on offense and stole the ball eight times. Balanced scoring was the secret of Owen's success. An injured Preston Walker saw limited action but is expected to be at full strength against a much larger Canton Junior High. The 9th grade boys team this year is not as big physically as last year's team. The redeeming factor is the tremendous speed this year's team has. Preston Walker, Ronny Parker, Stan Turner, Keith Thomas and Bruce Abshire, are quick, good ballhandlers and defensive players. The Warponies will have to depend on the press and fast-break if they are to have another winning season.

Warlassies Games

History Repeats; E. Henderson Wins

Owen's Warlassies traveled to East Henderson on Tuesday, Dec. 14 and as last year-net defeat 33-30 in an exciting

game. The score was tied at 17-17; 20-20; 23-23; and 27-27 ahead 29-28 and then dropped back in last minute of play on failure to sink a free throw in four chances.

The score at the end of the first quarter was 7-6 in favor of East; at the half 15-13 in favor of Warlassies; and end of third quarter 23-21 favor of East. Warlassies shot 38 per cent at free throw line, East only 28 per cent of their free throws but they outscored Owen with about 70 per cent of their shots. Owen played hard on defense but the ball wouldn't go in the basket-one of those nights.

PISGAH
On December 17, the Owen Warlassies eked out a victory over the Bearettes of Pisgah 25 to 23, after a night of frustrating shots at the basket. At the end of the first quarter it was 6 to 4 Warlassies; at the half 11-10 Bearettes; end third quarter 18-16 Warlassies. Each team made 7 points in the final quarter. The score was tied 7-7, 9-9; 11-11; 18-18. High scorer was Louana Holland of Pisgah with 12 points; Susan Jolley and Mary Hazlett each had 10 points. Both teams made many turnovers.

Coach Frank Watkins had this to say about the game: "Worst performance of the year, and it warranted a Saturday practice session. I am glad to win but that's it. If we don't play better than this we'll not win too many."

Says Wrestling Coach Jim Levine

Team Combines Mixture Of Experience, Youth

Buncombe Champions last year but can they do it again...the Owen High School wrestling team? Coach Jim Levine says "How we do as a team this year depends to a large extent on how well our new men come along. We do have some experienced men but even though we expect them to win a majority of their matches, they cannot carry the entire team. This is a list of our team and a brief resume about each boy."

Johnny Wright, 98 pounds, is one of the new men. He is a freshman, very strong for his size. He should win some of his matches. "Johnny Wright, 98 pounds, is one of the new men. He is a freshman, very strong for his size. He should win some of his matches. "Billy Smith, 105 pounds, a freshman, is learning real fast and goes after his man. We have been greatly impressed by his aggressiveness. "Keith Dorato, 112 pounds, freshman, is strong and learn-

ing. Should win some matches for us. "Danny Mitchell, 119 pounds, junior, has had two years experience, is exceptionally strong, should be a winner. "Dennis Curtis, 119 pounds, freshman, Dennis' strength will be our back up for Danny and will see as much action as possible in preliminary matches. "Charlie Robinson, 126 pounds, senior, probably our most dedicated wrestler, a real tough competitor. We have high hopes for Charlie to be a winner this year. "Mike Shippy, 126 pounds, junior, this is Mike's first year as a wrestler. He is strong and we plan to use him often. "Terry Owens, 132 pounds, due to health reasons will not wrestle with us this season. He probably knows more moves than any other man we have. We'll surely miss him. "David Begley, 132 pounds, junior, Dave is probably one of our smoothest wrestlers. This is his third season and we believe he can and will help carry the load. "Marc Ogle, 138 pounds, this weight class is a little heavy for Marc but we feel he can handle the job. He is one of our smartest wrestlers. "Alan Campos, 138 pounds is back up man for Marc. He is a sophomore and a real strong boy. We expect to use him frequently. "Steve Coston, 145 pounds, we hope to have Steve in shape to wrestle before the end of the season. The loss of Steve is a real blow to the team. Due to an arm injury he will be forced to sit out the first of the season. "Bob Doran, 145 pounds, junior, Bob has two years experience and is a real competitor. We expect Bob to be one of our leaders. "Gary Adams, 155 pounds, has strength and some experience. He should be a winner for us this year. "Wesley Pence, 155 pounds, freshman, is exceptionally strong but doesn't have experience. We plan to use him often to help him acquire the needed know-how. "Joe Putnam, 167 pounds, Joe, too, is a very strong boy. He should do well in this weight class. A junior, he has had two years experience. "Joel Lamb, 195 pounds, Joel is a sophomore. He has not had any previous experience but should improve as he learns. "Unlimited class, David Dehart at 315 pounds, has the potential to be a winner. He hasn't had any previous experience but should win on strength and weight alone in some matches. If David develops some basic moves, he will certainly be hard to handle. "Mike Searcy, 167 pounds, Mike is a sophomore. He is a strong boy. We are fortunate to have Mike as a back up man for Joe Putnam. "Danny Gregg, 185 pounds, Danny is a junior but hasn't had any previous experience. He is very quick and strong. When Danny learns some of the basic moves he should be of considerable value to our team. "David Sartin, 185 pounds, David is a sophomore and saw some action last season in preliminaries. He is strong and aggressive. With more experience he could become a real contender. "If our inexperienced men come on as we hope then we

should have a winning season. We have some very strong competition in that we wrestle Brevard twice and Tuscola twice. These two schools always are tough competition.
