"The biggest reason for our success, lately, has been the completely unselfish attitude of our players. No one really cares who is scoring and this has really helped especially in the close games," Coach Williams joyously states.
"Also, the kids have really worked hard defensively and hustled as hard as possible. They've realized that as long as they play with poise they will always have a chance," he continued. They've done this well and really played their own game and its really starting to pay off.
In my estimation they're really just a fine bunch of young men who are giving their all, he proudly concluded.

Warhorses - Lassies Add Two More To Winning Streak

The Owen Warhorses and the Warlassies have added two more to their string of wins. The Warhorses are now 7-3 overall. They boast 6 conference wins and 1 loss in the Little MAC placing them in a tie for first place with West Henderson.

The Warlassies are now 9-1 overall. They have won 7 conference games, lost 0 and are now in first place in the Little MAC.

The Warhorses are coached by Roy Williams and the Lassies by Chris Lee.

Warhorses 77- Mitchell 68 Tuesday night, January 13 the Warhorses downed Mitchell in 77-68 in a Little MAC.

Owen's win came on a combination of the defense of Rusty Norton who was outstanding in his pressing tactics, the rebounding skill of Bobby Stafford who grabbed 14 off the boards and double digit scoring from five players.

Leading the Warhorses was Stafford, who poured in 24, Randolph Scott laid in 15, Norton added 13, Mike Reese arose to the occasion with 11 and Kenny Patton helped put the game on ice with 10.

Warlassies 79-Mitchell 47

The Lassies showed their skill as they whirled into a 45-20 lead at the half. They employed a press and a fast break to secure this lead. Mary Ann Myers was the leading scorer with 24, 18 of these in the first half. Teresa Smith netted 18 and Pam Allen 14. (We saw last week how Pam can pray the ball in for Teresa.)
