

Births

Rebekah Mundy celebrated her fifth birthday on Wednesday, April 27.

Rebekah is the daughter of Rick and Lena Mundy of Black Mountain. Her grandparents are Ruby and Chris Mundy of Black Mountain and Avery and Lois Hollifield of Swannanoa.

Her great-grandparents are Jasper and Ella Grant, O.T. Mundy and Sue Nanne, all of Black Mountain. Lena Hollifield of Swannanoa is also Rebekah's great-grandmother.

A daughter to Mr. and Mrs. Thomas Copeland of Swannanoa April 19.

A son to Mr. and Mrs. Ricky Carson of Black Mountain April 23.

A daughter to Mr. and Mrs. John Walker of Black Mountain April 25.

A son to Mr. and Mrs. Chip Raper of Black Mountain April 22.

A daughter, Audrey Dawn, was born to Roger and Sandra Denny of Black Mountain on Tuesday, April 26, in Memorial Mission Hospital.

A son, Brad Reid Allen, was born to Douglas and Susan Allen of Lorton, Va., on Wednesday, March 20.

The grandparents are Mr. and Mrs. J.R. Allen of Asheville and Essie Campfield of Swannanoa and her late husband, Hewitt Campfield.

Christopher Ogden celebrated his first birthday with family and friends on Friday, April 22.

Chris is the son of Cathy Ogden of Ridgecrest and the grandson of Mr. and Mrs. Bernard Mink, also of Ridgecrest.

Niles Ray, son of Mr. and Mrs. William Rafter of Black Mountain and Mr. Donald Ray of New York, became a U.S. Citizen in a ceremony held in Charlotte on Friday, April 1.

Niles was born in Seoul, Korea, and is a third grade student at Carver Optional School. He is a Cub Scout.

Police Report

On Friday, April 8, there was a larceny of fishing tackle from a private home. There were two reports of larceny of gas: one incident occurred on

Monday, April 11 at the Fast Fare and the other, on Saturday, April 18, at Hop-In.

Motor vehicle operating violations included driving without a license, driving without due caution and an incident where a vehicle left the road damaging a chain link fence off Montreat Rd., leaving the scene of the accident.

On Saturday, April 16, there was a breaking and entering followed by the theft of a stereo and tools at a private residence. The following day, there was a breaking and entering at a storage shed. It has not yet been determined if anything had been removed.

Also on Sunday, April 17, there was an incident of vandalism and damage to property that arose from a domestic dispute.

CHIROPRACTIC FOR BETTER HEALTH
 ADJUSTING THE SPINE
 If there are any misalignments or structural imbalances in your spine that may be causing health problems, your doctor of chiropractic will make adjustments that may be needed to restore you to good health.
 "Adjustment" is a term used to indicate treatment given to vertebrae in your spine that may be displaced or are failing to function normally. They may be out of alignment, causing a disturbance to your nervous system by interfering with normal nerve supply.
 The treatment may begin with palpation or examining your spine by touch. Gentle manipulation may then be used to correct the defect causing the misalignment. As you lay comfortably on a specially designed adjusting table, the doctor will apply a gentle pressure to the areas of the spine that are out of alignment or do not move properly within their normal range of motion.
 It is the premise of the chiropractic profession that many ills are the result of improper nerve supply. By using his highly-trained manipulation techniques he works to restore proper nerve function to your body.

Miss Olathe, Mr. Thomas

Olathe-Thomas to be wed

Mr. and Mrs. Donald Keith, Thomas, and Dr. T.H. Spence of Montreat and the late Mrs. Spence.

Miss Keith will graduate in Olathe, Kansas to Mr. Charles Darwin Thomas III of Lake Jackson, Texas. Mr. Thomas is the son of Colonel (USAF Ret.) and Mrs. Charles Darwin Thomas, Jr. of Olathe, Kansas, formerly of Black Mountain and Montreat. He is employed by Dow Chemical at Lake Jackson.

The grandparents of the future bridegroom are Mrs. C.D. Thomas of Black Mountain, and the late Dr. C.D.

CAKES
 If your cakes tend to fall a lot it could be because the eggs you use are too big. Medium to large eggs are best. Extra large may be too much for your recipe.
