THE "WIZARD" IN NEW PROGRAM AT ATHENS

The "Wizard" who has been entertaining the people of New Bern with his baffling stunts this week, will be seen in an entire change of program today, and if the new stunts to be pulled off are as good as those of the first two days of the week, it will be some show.

There is one thing about Mr. Richards, the "Wizard," that puzzles everybody who see him in action. He is one man who can do things that are impossible. The acts are performed right before the eyes of auditors. One sees it and knows it is done, yet it is impossible for such a thing to take place. There is only one way to be convinced.
