## MORE LARTHQUAKE.

### THE SHOCKS AT CHARLESTON AND ELSEWHERE YESTERDAY.

The Tremor of Considerable Severity—Report from Along the Quaker's Wake.

CHARLESTON, S. C., Nov. 5.—The shock at 12:25 p. m. to-day, was of considerable severity and continued, in the opinion of many, longer than any since the great shake of Aug. 31st. The shock was accompanied by the usual loud rumbling sound, and created much excitement and alarm. Many buildings and offices were deserted for the moment, up to the time of sending this dispatch, 1:20 p. m. No damage to persons or property has been reported.

### The Excitement at Savannah.

SAVANNAH, GA., Nov. 5.—At twelve o'clock to-day Savannah was visited by a severe shock, lasting several seconds, which being entirely unexpected, created general consternation. The business houses were quickly emptied of their occupants and great excitement prevails among the public school children and some of the teachers. The schools were hurriedly dismissed and the streets thronged with children, hurrying to their homes, many of them crying. Buildings were roughly shaken and windows rattled, but no damage was done. The shock was also felt at Thunderbolt, a suburban resort, four miles from the city, and the residents report that it was followed by a commotion in the river, resembling that caused by a passing steamer, which lasted several minutes. There was also a slight shock at 9 o'clock this morning. The people here were settled in the belief that their shakes were over, and consequently many were startled when the occasion justified.

### Richmond and the Shock.

RICHMOND, Nov. 5.—Quite a severe earthquake shock which lasted several seconds was felt here about 12:30 p. m. Shocks of greater or less severity were reported occurring about the same moment at several points in Southern Virginia, Charleston, Savannah and Atlanta.

### Michigan feels the Shock.

DETROIT, Nov. 5.—At 11:28 o'clock this morning there were several distinct shocks of earthquake felt in the city.

### The Shock Felt at Washington.

WASHINGTON, D. C., Nov. 5.—A slight shock of earthquake was felt in the Treasury Department at 12:27 p. m. to-day.

### A Texas Amos.

COURTNEY, Nov. 5.—It is now certain that the assassin in the election night of D. Bolton, son of county commissioner Bolton, a wealthy planter, was a negro named Polk Hill, who took to the woods after the murder. Bolton had insured the negroes in the county by working against the Republican ticket. On learning that their ticket had been defeated, a number of the negroes met and selected Hill to kill Bolton, eight negroes accessories were arrested yesterday and taken to Breham. Excitement is intense and several lynching of negroes are threatened. A posse is tracking Hill with blood hounds.

### Chicago Beef Men Strike.

CHICAGO, Nov. 5.—Armour & Company's beef men, went on a strike to-day. This was in answer to the order of District Master Workman Button, which was promulgated last night. There is not anything talked of at the stock yards among either the men or the storekeepers but the probable results of this strike. The storekeepers are glum over it. They see their claims against the men endangered and their business, for a time at least, cut to pieces.

### Telegraphic Sparks.

John Jacob is ill with gout.  
A Chicago dispatch says that the barbed wire manufacturers association has not gained control of the factories and has ordered an advance of 2 1/2 per cent for wire on the first of January in addition to 5 1/2 per cent increase just gone into effect.  
Wm. B. Hazelton, a well known journalist, and at one time managing editor of the American, died in Baltimore yesterday of softening of the brain.

### The Shock at Lincolnton.

LINCOLNTON, N. C., Nov. 5.—(SPECIAL.)—We have just experienced another earthquake, which was quite severe and perceptible to everybody, but no damage reported. The rumbling sound lasted for about two minutes, and some buildings shook almost hard enough to fall. The arrow on the dome of the court house quivered for some time after the shake was over. It reached us at 12:15 a. m.

### About Miss Winnie Davis.

RICHMOND, Nov. 5.—Miss Winnie Davis, daughter of Jefferson Davis, will leave the Governor's mansion in this city, where she has been the guest of Governor Lee, next Friday, for Syracuse, N. Y., where she will be the guest of Mr. and Mrs. Thomas Emory. Mr. Emory is the son of Gen. Emory, of the United States army.

### Sensations in Berlin.

BERLIN, Nov. 5.—A profound sensation has been created here by the discovery that the only existing specimen of a new German repeating rifle has been stolen from the factories of Wesel, it is suspected through the treachery of some one attached to the garrison.

### Business Failures for the Week.

NEW YORK, Nov. 5.—There were 138 failures reported throughout the United States and Canada during the past seven days, as compared with a total of 210 last week, and 149 the week previous.

## THE RESULTS IN THE ELECTIONS

### Democratic and Republican Gains and Losses.

In Johnston two independents are elected to the House and the Democratic Senator was elected only because he had no opposition. Franklin elects the entire Republican ticket, except the Sheriff. Durham has elected by a large majority the entire Republican ticket, except the Register. Orange has gone Republican. It is said that Nash is also Republican.

Alamance has elected the entire Democratic ticket, but by reduced majorities. In Moore the Democratic nominee for the House, Capt. Wilcox, is defeated. The old Clerk, A. H. McNeill, is defeated by 30 majority.

In Forsyth, Fries, Democrat, is elected to the House by 22 majority, but Buxton is defeated for the Senate. Granville is Republican by about 700 majority, and even Rockingham has done as badly.

Hon. Alfred M. Waddell was defeated for the House of Representatives from New Hanover, and Col. Jas. T. Morehead for the Senate from Guilford.

Anson gives Rowland 1,157 majority. Richmond county Democratic by about 400.

Wake goes Republican by a large majority. Cumberland county elects the entire Democratic ticket.

Vance probably elected Young, Democrat, by 200.

Carteret elects the Democratic ticket by 1,000. Gain of 600.

Greene Republican all through every man on that ticket elected.

Craven doubtful as between the condition and Republican ticket.

Nash county goes Republican by a large majority. The Register and Morgan Clerk, are the only Democrats elected. Green, Republican, elected Sheriff over Arrington by 415. Old Glorious Jack Sharpe, Republican, elected to the House over Marshbourne by about 300.

The Johnston county independents have elected every man they nominated. They did not nominate for all the offices. Rev. J. J. Harper, well known and greatly loved in Wilson, was defeated for Treasurer. Graham, D. M., for Congress, carries the county by about 400 majority.

In Lenoir county every Democrat elected save the Treasurer. The Sheriff by 10 majority.

Brunswick Republican as usual. Franklin county has probably gone Republican by a large majority. Thorpe and Collier both probably defeated for the Senate.

Davie county largely Republican on all the tickets.

Davidson county reported gone Democratic throughout.

In Catawba county the Democratic State and Congressional tickets have 1,000 to 1,200 majority. M. F. Hull is elected to the House, S. L. Yount, Sheriff, P. A. Hoyle, Clerk, Geo. W. Babl, Treasurer, G. W. Cochran, Register, all Democrats. Majority range from 70 to 300.

In Randolph county the whole Democratic ticket is elected by 400 to 600 majority.

Burke county, Cowles, for Congress, Tull and Bailey, Democrats, for the Senate, carry the county by the usual margin. J. C. Mills, Democrat, elected to the House by a small majority.

The Probationists voted for Hull and the Republicans for Jake Halliburton. B. A. Berry, independent, beats J. A. Lackey, Democratic nominee for sheriff, on a close vote. S. T. Fearson, for clerk, and E. C. Register, both Democrats, are re-elected. The Republican State ticket was not voted at the Morganton box and many Republicans cast their ballots for Judge Avery.

McDowell county elects Crawford, Republican, for the Legislature over P. J. Smith, Democrat. The county is Democratic otherwise. Johnston has 200 majority in it for Congress.

The independents and Republicans made a clean sweep in Buncombe of everything except register of deeds. Richmond Pearson and his colleague, Wells, beat Johnstone Jones and H. L. Huddger for the House by 100 majority. Fox, Republican, beat Ebbas, Democrat, for the Senate in Buncombe and Madison. Reynolds, independent, is re-elected clerk, and Malone has 400 majority over Johnston.

Cabarrus gives Rowland 428 majority. The county Democratic and legislative tickets are elected except McAlister, Democratic candidate for the House, who is defeated by Long, independent, by 285.

Cleveland has gone largely Democratic, electing Schenck to the House and all other nominees. It is close between Webb and Manning for the Senate in Cleveland and Gaston.

Robeson is Democratic by an increased majority. Rowland's majority is 1464.

Gilford very close as to the legislative ticket. The Democratic county ticket is elected.

Four townships in Rockingham show a change of 1000 votes against the Congressman Reid. Webster, independent, elected to the Legislature by 300 majority. Settle, for solicitor, probably carries the county.

## THE NATIONAL CAPITAL.

### WASHINGTON NOTES AND COMMENTS.

What the Chronicle Correspondent Observed Among the Movements of the People.

WASHINGTON, Nov. 4.—The result of the election occasioned very great astonishment in this city. Especial regret is expressed at the defeat of Messrs. Carlisle and Morrison. The defeat of the Speaker is not assumed fully tonight, but it will take an official count to decide it. North Carolinians are very much surprised at the defeat of Mr. Reid. It has thought all the time that O'Hara would be re-elected in the Second District, and that Nichols stood a very fair chance in the Fourth District. The latest returns make the House of Representatives of the 50th Congress stand thus: Democrats 172; Republicans 132. The French visitors mentioned in my letter spent the day in this city. They called on the President and Mr. DeLassus made a formal address to Mr. Cleveland, who responded in his usual good style. Count DeSala, Marquis DeChamburn and other representatives of the French government showed them a great deal of attention.—Prince and Princess Konatsu will arrive to-morrow. The Prince is an uncle of the Mikado, of Japan.—If Mr. Carlisle should prove to be defeated, his successor is a Mr. Thobe, a member of the National Union and Knight of Labor. Mr. Thobe says that the working man object to Mr. Carlisle because he is a free trader. He also says that he believes he (Thobe) is honestly entitled to the certificate of election. Carlisle's many friends here are very anxious to see him elected.

There is a great deal of talk about the election. Several capitalists attribute the defeat of Frank Hurl and Morrison to a growing protective sentiment in the South and West.—Federal patronage was also an important factor in the unusual and unexpected developments of the election.—Sadie Jones, best side board scarf, 1 00.
