SOCIETY.

Mr. and Mrs. James Eller gave a dinner party to Mr. Eller's Sunday school class at the Old Dutch Tea Room on Wednesday of last week.

One of the most delightful occasions of the holiday season was the dinner party given to the Baptist boys and girls, home for the vacation period, at the Old Dutch Tea Room, on Friday evening, by Dr. and Mrs. Jackson.

24 ARE INJURED IN A PASSENGER TRAIN WRECK

Macon, Ga., Jan. 2.—A broken brake beam that dropped from one of the Pullman sleepers, caused the derailment of the northbound Dixie Flyer, fast Jacksonville-Chicago train, at 6:45 o'clock this morning, causing injury to 24 persons, three of them seriously, according to a statement from Central of Georgia railroad officials.

One of the rails was stripped from the road bed for a distance of a thousand feet, and lay along the 15 foot embankment, in the form of a double "S," and at the bottom of the ravine lay seven Pullman sleepers, a dining car, a day coach all turned on their sides.

But for the fact that the equipment was of steel there would have been a heavy loss of life, railroad officials say.

NEIGHBORLY ADVICE.

Freely Given by a Wadesboro Citizen. When one has suffered tortures from a bad back and found relief from the aches and pains, that person's advice is of untold value to friends and neighbors.

H. F. Faulkner, mechanic, Camden Road, says: "I was down with a lame back and I had other kidney troubles. Heavy lifting is what caused this trouble. My back ached a good deal. When I would bend it was almost impossible or me to straighten again because of the sharp pains over my kidneys. I was so lame and sore mornings I could hardly go and my work was a burden. My kidneys didn't act properly, and the secretions contained sediment. I got a supply of Doan's Kidney Pills at Fox & Lyon's Drug Store and began taking them. Soon I was entirely rid of this trouble and I have had no return of the complaint."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Faulkner had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

No Worms in a Healthy Child. All children troubled with worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance.

GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a general strengthening tonic to the whole system. Nature will then throw off or dislodge the worms, and the child will be in perfect health. Pleasant to take. 60c per bottle.

MORVEN MENTION

(By T. B. Justice.)

Miss Ollie Streater who came home for the vacation went back to her work as teacher at Sandy Ridge in Stokes county on last Monday morning.

Miss Madge Taylor left Tuesday morning for Davenport College near Lenoir, where she is taking her first year in College, after finishing high school at Morven last May.

Mr. J. F. Lowrance spent several days with his family in Mooresville during school vacation.

Winona Rose Cox daughter of Mr. and Mrs. Royall Cox was born at the Sanatorium at Wadesboro on last Friday. The young mother is a daughter of Mr. E. L. Griggs of Morven while the proud father is the son of Mr. H. H. Cox of Wadesboro.

Mrs. Sarah Jones of Richmond spent Christmas with her parents Mr. and Mrs. T. W. Morrison at their farm home near town.

Mr. Dewey Lowery and Miss Mary Bell Niven went to Cheraw S. C., last Thursday evening and were married, returning to Morven on the noon train Friday.

Mr. and Mrs. Quillian Davis went to Florida on Christmas day and came back to Morven on last Saturday.

Mrs. Nina Copeland was called home the early part of this week by a telegram announcing the illness of her husband in Florida.

Mr. George Covington who lives near town was painfully hurt by being struck on the ball of his eye by the horn of a cow. The sight was not cut and he can see with that eye, and we hope no serious injury will result.

Miss Florine Davenport of Wilmington who visited Miss Mary Katherine Liles during last week-end left with Miss Liles Monday evening for Wilmington where they both teach.

Miss Myrtle Holt who has spent two weeks here has returned to Winston-Salem, where she is teaching. She was accompanied by Miss Pat Johnson also a teacher in the same school.

Miss Jeanette McQueen of Conway, S. C., left for her work on New Year's day.

Miss Pauline Taylor has returned to work as teacher in Wayne county.

Miss Eva McLaurin who is stenographer and book keeper for her uncle in Rockingham returned on Monday.

Miss Ethel Lee Lowery, daughter of R. L. Lowery entertained the Senior class of Morven high school, on Friday evening. Eleven members constitute the class and a few guests were present also. It was simply a social function with tempting refreshments and an evening for pleasure long to be remembered.

Franklin Sherman of A. & E. College Raleigh, spent the Christmas holidays with Edwin Robinson of this county who is also a student of A. & E. College.

Last Thursday evening the Senior class of Morven high school was entertained by the alumni of the state University and the North Carolina College for Women. Ten members of the Senior class with Miss Mary K. Liles who recently graduated from the N. C. C. W. attended and appreciated the cordial hospitality of the hosts. Every one admires loyalty to ones alma mater.

Miss Christine Robinson was at home last Thursday evening in honor of Miss Margaret Klutz of Albemarle and Mr. Franklin Sherman of Raleigh.

Mrs. David Griggs has accepted a position as stenographer with Messrs. Hardison & Hardison of Wadesboro.

So many of our young folks have gone that we seem to be lonesome. All seem to be gone away by this time. Miss Julia Marshall Little returned to Greensboro College for Women, Miss Pauline Ratliff to Trinity College, Miss Effie Wall to Flora McDonald at Red Springs, Miss Nan Stegall to Coker College S. C., J. E. Moore Jr., and Edwin Robinson to A. & E. Raleigh, Frank Little to Trinity, Inez White, Leona Watson and Rosaline Robinson to Greenville Training School, Frank Ratliff goes to a S. C. college while James Chapman goes to Maryville College, Tenn.

A barn on Mr. Roper Capel's place was burned Monday night. Only some provender was lost.

Mr. Eugene Lowery who lost his stock of goods last week by fire expects to sell goods in the small room near the cotton yard and will return to his own stand as soon as Mr. Mowery can have it rebuilt, which he expects will be done in about three months if the weather is good.

Matt Chapman has had an attack of rheumatism lasting for several days. We are informed that he is better now.

Mr. D. T. Tucker and family have removed to the Covington house north of the Presbyterian church.

An effort will be made to revive the parent-teachers association next Tuesday P. M. at 3:15 o'clock. All the teachers are respectfully requested to attend and parents to be present, so that all may work together for the welfare of the children. Much relief has been given and good has resulted from this work. When there is co-operation and energy we can accomplish much, but if a few drag and find fault the enterprise will fail. Next session will probably determine whether we are to triumph or fail. We are to have a grand march to victory or a funeral procession. We do not want any slow demise.

Mrs. Eva Nixon and little child are visiting Mr. and Mrs. W. A. Stegall, parents' and grand parents' of the visitors.

COUNTY CLUB MEETS

SATURDAY, JAN. 6.

The County Woman's Club will meet Saturday, beginning at 11 o'clock. Owing to the bad roads the meeting will be held in the middle of the day.

Miss Elizabeth Horne, who was to give the lecture in December, will make this address Saturday, as the rain prevented us holding the December meeting. Miss Horne will give interesting facts relating to her trip to Europe last summer. This will be at two o'clock and we invite all the ladies and high school girls especially to hear it.

Mrs. A. E. Leavitt, of Chapel Hill, will come over from Hamlet and talk to us about Spain and her people at 12 o'clock. Both these lectures will be of unusual interest and literary value and we urge all the club women to be present.

Other discussions on our marketing possibilities and work for the year will take place.

We hope to have a nice crowd. Bring a small lunch.

MRS. R. A. REDFEARN, Home demonstration agent.
