3arnum's Monkeys

"All well-all happy-lots fiun". That is the regula port from the monkey c. Barnum's Circus ever si w keepers began dosing onkeys with Scott's Em. on. Consumption was carry ng off two thirds of them very year and the circus had ) buy new ones.

One day a keeper acciden: ally broke a bottle of Scott' mulsion near the monke age and the monkeys eagerl apped it up from the floor. This suggested the idea that it ght do them good. Since hen the monkeys have received egular doses and the keepers report very few deaths from consumption. Of course it's cheaper to buy Scott's Emulsion than new monkeys-and that suits the circus men.

Consumption in monkeys and in man is the same disease. If you have it or are threatened with it can you
