We will say right here now that this is the proper time for any one to build or repair their buildings. Some say times are hard; that may be so, but the man with the money can build now with less money, than when times are better, and these are the fellows we are looking for. If you need or will want any lumber in the near future give us your orders now and not wait till the weather gets better and every one will want something at the same time, if you do, mark it, you will pay more. We are in a position now to make contracts for the future at prices that we will not be able to make sixty days from now. If you want anything in our line come in when you are in Shelby and we will talk the matter over and come in and see us when in town, we like to have our friends and the public visit OUR PLACE.
