MR. ALONZO ELLIS DEAD.

An Aged Landmark Passes Away--Death of a Good Citizen and a Loyal Democrat.

Another old and highly respected citizen of Cleveland county has passed away. An aged landmark is gone. Mr. Alonzo Ellis at his home at Patterson, Thursday night, March 16. He had attained the ripe old age to which few men are blest with reaching, being at his death 84 years old. He leaves 8 children and 40 grand children. Mr. Ellis had been fortunate in having good health throughout his whole life, but a slight attack of grippe coupled with his extreme old age caused his death. He was buried at Patterson Station Baptist church graveyard last Saturday.

Mr. Ellis was looked upon by the people of his neighborhood as a man of good common sense and sound judgement. Ever was he interested in public affairs, and up to his death was a devoted follower of Democracy. He was a lovable character, a blessing to his community, and his place will be hard to fill.

Estelle Taylor in Gaffney Jail.

Estelle Taylor was arrested in Gastonia last week, charged with complicity in the murder of a young man Moore, of Blacksburg, S. C.

It seems that Moore and another young fellow, Moss, were at Estelle's house when a general fight ensued in which Moore received wounds resulting in his death. Moss was arrested in Blacksburg, but Estelle Smith fled with her two year old child to Gastonia where she was arrested by officer Carroll and carried to Gaffney, S. C. Estelle is a notorious character and for a brief season graced the halls of the jail of Cleveland county.

Hawley is Dead.

WASHINGTON, March 17.—General Joseph R. Hawley, former United States Senator from Connecticut, died at night.

The end came at ten minutes of two o'clock. At the bedside were Mrs. Hawley and her three daughters. General Hawley had been in a comatose state for several days, with slight periods of consciousness. He had not been active in the Senate since 1902.

To Create New State.

WASHINGTON, March 16.—Col. Campbell Slem, the only Republican representative in Congress from Virginia, says he will introduce a bill next session for the creation of a new State out of eastern Tennessee, southwestern Virginia and southeastern Kentucky. He says the matter was discussed with the President, who gives his approval. The lack of comparison of the different sections of the three States from an agricultural standpoint is the reason for the proposed bill.

Mr. Froneberger Injured.

We regret to learn that Mr. David Froneberger, an aged and venerable citizen of Knoxville, Tenn., sustained a fall one day last week and was painfully injured. Mr. Froneberger had to be taken home in a carriage, although he persisted in wanting to attempt to walk. To Succeed Kuropatkin.

The Morning Post.

ST. PETERSBURG, March 15.—It is now definitely stated that Emperor Nicholas has approved the decision of the council of war to send Grand Duke Nicholas Nikolaievitch to replace General Kuropatkin as the best means of putting a stop to the intrigues and jealousies among the generals of the army both at St. Petersburg and the front. General Soukhomlinoff will be chief of staff.

BOND ELECTION IN NO. 4.

To Vote on the Question of a \$50,000 Bond Issue for Good Roads.

The people of No. 4 township will vote on the question of issuing \$50,000 worth of bonds to build good roads in that township. The election will be held on April 22nd, and it is to be hoped that the public spirited and progressive men in No. 4 township will interest themselves in behalf of this measure and try to secure its adoption.

This is a wise and practical plan for building good roads, and the important feature is that it will secure good roads within a short period and it will not be necessary to wait years for the work to be completed as is the case with a small tax levy.

Negro Attempts to Outrage Girl.

Charlotte News.

GOLDSBORO, March 16.—A small negro boy was lodged in the Klanton jail yesterday for safe-keeping. He attempted to outrage a 12 year old white school girl, near Falling Creek, Monday evening while she was returning from school, alone, and passing through a dense wood about a mile from her home. The youthful brute did not accomplish his fiendish purpose owing to the desperate courage of the girl who fought him until her clothing was nearly all torn off her. The girl is one of the best families of Bucklesberry and the matter was kept quiet until the next day. The negro was tried before a magistrate and confessed.

Escaped Convict Captured.

"Pres Gibbs, a negro, was arrested yesterday by Chief Irwin and Officer Sykes, on a charge of escaping from the Cleveland county chain-gang. If Gibbs is the man wanted, he was sentenced to six months for stealing a cow. He denies his identity, but the officer from Cleveland county, who arrived last night to take Gibbs back, tells a different tale."

We copy the above from The Charlotte Observer. Gibbs was brought from Charlotte Thursday by Deputy Jap Suttle and landed in jail.

Stonewall Jackson's Battles.

From Mrs. Roger A. Fryor's "Reminiscences."

Stonewall Jackson's negro body servant knew before anybody else when a battle was imminent. "The General tells you, I suppose," said one of the soldiers. "Lawd, no sir!" De Gin'ral nudder tells me nothin'! I observe de 'ention of de Gin'ral dis way: co'se, he prays, jest like we all, mornin' an' night; but when he gets up two, three times in a night to pray, den I rubs my eyes and gets up too, an' packs de haversack--ca'se I done fine out dere's gwine to be old boy to pay right away!"

Rev. Hoyle Sunday Night.

Rev. R. M. Hoyle, the able presiding elder of the Shelby District, will occupy the pulpit of the Shelby Methodist church on next Sunday night, and will be listened to by a large and attentive congregation.

Parker for Supreme Judge.

NEW YORK, March 16.—A movement has been started by lawyers and friends of Alton B. Parker to have him nominated for the Supreme Court bench this fall, by the Democrats and endorsed by the Republicans. The salary attached to the position is greater than the one he gave up to become the Democratic presidential nominee.

DEATH OF MR. SAM YOUNG.

An Aged and Well Known Citizen of Cleveland Gone.

It is with sincere regret we announce the death of this good and honorable citizen. Grippe which has taken away so many of our older people, claimed Mr. Young as its victim, March 16th. He has been an exceptionally useful citizen for a number of years having served as one of our county commissioners. Youngville was named for him. He lived to the ripe old age of 82 years.

A wife and one daughter and several grandchildren were left to mourn his death.

Rev. A. C. Irvin conducted the funeral services from the Sandy Run church. THE STAR extends its sincere sympathy to this bereaved family.

The Newspaper.

Greenville News.

Any man can take a newspaper. It is the cheapest thing he can buy. Every time a hen clucks and has laid an egg his paper is paid for that week. It costs less than a postage stamp, less than to receive a letter. It comes to you every week, rain or shine, calm or stormy. No matter what happens it enters your door a welcome friend, full of sunshine and cheer and interest. It opens the door of the great world and puts you face to face with its people and its great events. It shortens the long winter nights. It is your advisor, gossip, and friend.

No man is just to his children who does not give them the local paper.

No man is good to himself who does not take newspapers.

Death of Lump by Coal.

News & Observer.

Charlotte, N. C., March 12.—Armed with a lump of coal, Andy Hall, a well known negro of this city, this afternoon inflicted injuries on George Gaffney, also colored, causing death two hours afterwards. The two men were employed by Mr. C. B. Flournoy of this city and were at the time engaged in working in the rear of the house. The first known of the trouble was when a member of Mr. Flournoy's family looked out the window and saw Hall standing over the prostrate form of Gaffney.

A Pugilistic Combat Suggested.

To the Editor of THE STAR:

The recent scandalous reflections upon the aged by one Prof. Ostler of John Hopkins University, together with its sad consequences of suicides provoked by this latter day-fanatic, surely demand refutation.

We therefore suggest that either Jno. Jeffreys, aged 88, married twice; Peter Lucas, aged 87, twice married, or L. A. Bott, aged 91, Shelby, N. C., be pitted against the said Ostler in a sixty round contest with or without gloves, the gate receipts to go to the victor, except as much as may be necessary to pay the said Professor's doctor bills, and the possible expenses of a Corner's inquest.

We suggest the name of Mr. N. A. Jackson, aged 86, Patterson Springs, as Referee.

The following named boys are recommended as a committee arrangement:

Capt. E. D. Dixon, aged 77; Fallston, Jno. Buncombe Crowder, aged 76; Lawndale, William Hoyle, aged 70, married three times, Rockdale.

Each editor publishing this notice is requested to mail a copy of same to John Hopkins University, Baltimore, Md.

WILD GOOSE.

Lawndale, March 17th.

Flash of Pistols.

News & Observer.

CHARLOTTE, Mar. 15.—Earl Carpenter, a well known cotton mill owner, today shot and instantly killed Mr. A. Kale, superintendent of the Ni Manufacturing Company. The tragedy occurred on the premises of the Harden Manufacturing Company, about twenty miles from this city, in Gaston county. Kale went to the house of one of the operatives, it is said, the purpose of inducing him to his family to move to his mill. Carpenter learned of the object of Kale's visit and confronted him with the charge.

A fight ensued in which both drew pistols. Kale shot Carpenter in the breast, inflicting a dangerous, if not fatal wound. Carpenter in turn fired at Kale the bullet striking him squarely in the forehead, passing directly through the brain and causing instant death.

Carpenter, this evening, is said to be in a very precarious condition. He is a son of Mr. D. Carpenter, one of the known mill owners in the South.

Bate. Today, March 21, is the day set for the formal election by the general assembly.

Roosevelts Attitude.

Charlotte Chronicle.

Congressman Livingston, of Georgia, after a talk with the President, states that the latter is anxious to conciliate the South and will in the Congressman's opinion appoint to office few negroes in the South and more in the North. While we do not believe that he will do any such things, we agree with the Wilmington Messenger that this would be a mighty good way for him to go about making such conciliation.

Attempted Assault Frustrated.

News and Observer.

Rutherford, March 17.—A nineteen year old negro boy, John Twitty by name, yesterday attempted a criminal assault on Miss Nettie Younce the sixteen year old daughter of Mr. W. M.
