

THE announcement has been definitely and authoritatively made by President Samuel Spencer, of the Southern Railroad, that the connecting link of road from Marion, N. C., to Johnson City, Tenn., will be constructed at an early date, a company having been chartered for that purpose. Work will begin at once. This will mean much for Shelby. It will give us what we so much need, viz: Better railroad facilities, and the full advantages of a trunk line.

JUDGE Boyd, of the Federal Court, seems disposed to enforce the internal revenue laws. Last week D. L. Arey, a wealthy Salisbury liquor dealer, was given choice of two sentences, viz: Either to serve a term of two years imprisonment and pay a fine of \$5,000 and costs, or pay a fine of \$22,000 taxes defrauded from the government, and the costs, and a term of three months. Arey chose the last named sentence.

THE election of Prof. W. L. Poteat to the presidency of Wake Forest College to succeed Dr. Chas. E. Taylor, who has resigned on account of feeble health, will give a new impetus to the work of the College. Prof. Poteat is a very able man. Wake Forest College now has a splendid endowment fund, amounting to \$300,000, which is well invested.

TEXAS has already marketed her first bale of new cotton for 1905. It was sold at Galveston Monday at auction and brought 30 cents a pound—a pretty good price for the novelty of buying the first bale.

COTTON has reached nine cents. It begins to sound good again.

**Resolutions of Respect.**

Whereas, It has pleased our Heavenly Father in his allwise providence to remove by death from class No. 2, Kadesh Sunday School, Saturday, June 10, 1905, Miss Dessie Gantt, one whom we all loved, be it resolved:

1. That we bow in humble submission to Him who does all things well, and pray that this dispensation of His providence may lead us to a truer, more honest purpose in life, and more courageous effort in bringing others to a personal knowledge of the truth as it is in Christ.

2. That we tender our sympathy and love to the bereaved father and mother and four brothers, and pray that this great sorrow may work out for them a far more exceeding and eternal weight of glory.

3. That a copy of these resolutions be sent the bereaved family, copy sent THE STAR for publication, and a copy spread on the minutes of our Sunday School.

**CLASS NO. 2.**

Whereas, It has pleased God to remove from our midst, in the prime and joy of life, our beloved friend and member of our Golden Links, Miss Dessie Gantt, and,

Whereas, She was a faithful member of our little band, deeply concerned for our good and keenly interested in all phases of our life and all the organizations of our church which made toward the development of a pure and happy Christian life, and,

Whereas, Her own life was a noble example to us, in its strength of character, in its purity, in its energetic devotion to humanity, and in its simplicity of Christian experience, therefore be it resolved:

1. That the entire membership of the Kadesh Golden Links mourn her death, not as one whose career is ended, but as one who has been called by the infinite, eternal Father, to other spheres where those labors begun on earth may have their full completion.

2. That we return thanks to Almighty God for her life and her example, which has been an inspiration to many.

3. That we extend our most heartfelt sympathy to the family in their bereavement, especially to the brothers whom she was so loath to leave.

4. That copies of these resolutions be sent to the immediate members of the family and a copy placed on our record.
