PROGRESS OF THE FIGHTING

INSTRUCTIONS GIVEN TO TAX GERMANS RETAKE FRESNOY FROM THE CANADIANS -THEIR SAVAGE ATTACK A-GAINST FRENCH REPULSED.

After five days of extraordinarily the adjacnt wood, are again in Ger-

In the retaking of these positions, the cleven townships of the county where the Canadians had stood for were here to receive instructions, Mr. five days holding the most advanced R. L. Ryburn, attorney for the coun- salient in the British line, projecting ty, interpreting the law for them as toward Douai, the Germans evidently paid a terrible price. Perfaced by B. B. Barrett was granted license a heavy artillery fire in which asphyx iating gas shells also were used in J. B. Martin and William Beam large numbers, the counter attack was launched in the early morning.

The machine gun and rifle fire of the defenders met the Germana as they threw themselves forward, but they would not be denied and finally penetrated the trenches northeast of the village and even on the outskirts B. F. Lindsay, d. s. services \$3.40, of the village itself. Their tenure of J. Sidney Hood, holding inquest, the position, however, was short lived, \$10.00. Ace Champion, George Mar. for the Canadians soon afterward returned to the fray, drove out the Germans and again held full sway.

Assault Again Reforming later and reinforced by two fresh divisions, the Germans again made a bid for victory along the entire front before the village and wood. The right wing of the defenders held steadfastly and inflicted heavy losses on the Germans. The left wing, however, notwithstanding its stubborn resistance, was compelled to give ground and to evaruate Hoggett and Eskridge, brooms, 50c. the village and wood, leaving them in the hands of the Germans. Berlinreports that two hundred prisoners R. R. Lackey, jail expenses \$200,00 and six machine guns fell into the C. G. Poston, expense prisoner \$5, hands of the Germans.

There has been a continuation of the violent fighting southward in the First National Bank, express on Bullecourt and Recux sectors, but no notable changes in positions have

been reported. Although, the latest French official communication reports no infantry ioner March 10th to May 7th \$19.25, action during Tuesday along the line held by the French in France, the Associated Press correspondent with J. C. Mull, salary and disinfectent the French armies tells of a desperate German attack south of Berry-au-Bac, which was sanguinarily repulsed, the Germans leaving behind numerous dead on the battlefield and

These prisoners with others taken in small raids have brought the capors by the French in the latest of fensive April 16 to between 29,000

Artillery Activity

The artillery activity along the enire Macedonian front continues violent, indicating possibly the near approach of a general offensive. Small engagements between Entente forces and Austrian and Turnish troops between Lake Ochrida and Lake Presba and between Entente and Teutonic Allied troops along the Cerna are reported.

Notwithstanding the fact that in Germany the agitation continues intense for the Imperial Chancellor to come into the open and state what Germany's peace terms are, an unwould indicate that the peace required by the German people is not in man Vice Chancellor, is quoted - as having said in a speech in the Reich-

"We are not yet able to abtain it, We must still fight for it."
