COMPLIMENT FOR CLEAN-UP CAMPAIGN

Suggests That Every Day the Town Wagons Haul Trash Away Free of Charge

To Editor of The Star.

Please allow me space in your valuable paper to say a few words in regard to Clean up and Paint up week which has just closed. I notice from the street superintendents report where our thriving little town hauled 200 loads of trash away free for our citizens.

This is fine work on the part of our town officials but allow me to say right here that if our officials would make regular rounds each week, and haul this trash away there would not be so much work to be done in one day. The town would be cleaner and much safer place to live in.

The citizens of our town pay taxes for the privilege of living here, and they certainly are due some consideration for the money they spend in this way. So why do our officials charge us 50 cents per load for hauling trash away?

I think that this would be a fine time to take this matter up with the various applicants for the different positions in this coming election.

Understand, Mr. Editor, I am not a knucker, instead I am a booster for Shelby, and I certainly would be glad to see our town officials arrange a regular schedule for the trash wagons so we all would know what day we may expect them in our section.

This would give our town a much better appearance it would make it much safer for our little children's lives, it would do us all good to keep our premises clean all the time, so lets get in behind the proper officials and keep our little town free from germ breeding places. Thanking you, I remain, Yours for a clean town.

SHELBY TO HAVE ORGANIZED BALL

Shelby and Ella Mill Teams to Be Merged—Build Park At School Grounds.

Shelby is to have an organized baseball team within the next week or two if plans which are under way carry. A number of baseball fans have secured the promise of the newly elected board of aldermen to contribute to the building of a fence around the Shelby school baseball ground and the erection of a comfortable grand stand. Signatures of underwriters are being secured to guarantee funds for securing the best of players and a complete outfit of uniforms, ball bats, etc. Until Saturday afternoon nearly \$600 had been pledged for the support of the team, the shares being \$10 each, not to be paid unless the gate receipts for the season fail to meet the necessary expenses for the season.

A master stroke is being made by merging the Ella mill team with the Shelby team. The Ella mill team is one of the best in this section. Out of six games this season, only one has been lost. The best players on the Ella team will continue with the Shelby team and it is hoped that a circuit can be formed with nearby towns so that the season's schedule can be made up for daily games or games every-other-day during the summer. It has been pointed out that Piedmont and Boiling Springs high schools which have just closed, have turned out some good players which might be obtainable.

It is practically assured that Caroleen, Henrietta and Lincolnton will be on the circuit and hopes are entertained that Gaffney, Morganton, Gastonia and Monroe will join.

At the meeting of the promoters yesterday, the following men were elected to manage affairs of the new team: Ward Arey, president, Oliver Anthony manager and treasurer; Dick Gurley, manager; Paul Webb, A. W. McMurry, O. M. Gardner, A. B. Suttle, Jack Dover and Clyde Short, directors.

The new drug store building will be on the south side of the Lineberger lot, adjoining Efrids department store building owned by Mr. C. C. Blanton. It will be 21x100 feet, two stories in front and built of red pressed brick. Plans have been drawn and call for plate glass show windows, tile floor, marble trimmings and other features that will make this one of the prettiest store buildings in town. Improving the whole lot with large buildings has been under consideration by the owners for some time, but for the present only one store room will be erected since the purchase of the Martin building by the Cleveland Bank & Trust company. No contracts have been let as yet, but material will be purchased at once and it is hoped to have the building ready for occupancy by August 1st.

BOY SCOUTS TO HAVE CREAM SUPPER Will Hold Forth on Streets and Serve Homemade Cake and Ice Cream Friday.

The Boy Scouts organization made up of about 25 fine young men headed by Scout master Fred Cook, will give an ice cream and cake supper on the bithulitic street in front of the city hall Friday night May 6th. The purpose of this feast is to secure funds for the Boy Scouts' camping trip to the mountains this summer. It offers healthful recreation and teaches discipline to the members and the boys are in need of funds with which to purchase tents and other supplies necessary for this trip. They have been a great factor in cleaning up Shelby during the clean up campaign and the public should lend their hearty support to success of the ice cream supper Friday night. In order to assure cleanliness of the refreshments for the ice cream supper four mothers of Boy Scouts members have offered their services to superintend the preparation and serving of the refreshments. Dishes, glasses, chairs, etc., necessary to serve this ice cream and cake supper are being furnished by the Central Methodist church, Gilmer's, Riviere drug company, Suttle drug company and Cleveland drug company.

There will be a charge of 30 cents for cream and cake and the boys will be out all of this week selling tickets for the Friday night affair.

CLEVELAND BANK BUYS BUILDING

\$20,000 FOR MARTIN CORNER BUILDING

Lineberger Estate Will Erect \$15,000 2-story Brick Building at Once for Drug Store.

For a consideration reported to be \$20,000 the Cleveland Bank & Trust Company has purchased from Mrs. Clara Martin Goode, the Martin building at the corner of LaFayette and Marion streets at present occupied by T. A. Spangler and Co., and the Piedmont Telephone and Telegraph company's office. Simultaneously with this announcement comes the report that Messrs. Wm. and J. D. Lineberger and Mrs. Julius A. Suttle will build a handsome two-story brick building on the Lineberger lot, this building to be occupied by the Julius Suttle Drug company and to cost approximately \$15,000.

These announcements in real estate circles are very interesting at this time for they will serve to stimulate trading and a revival of business again.

The Cleveland Bank & Trust company bought the Martin building for a new home and the latter part of the year when possession is secured, extensive improvements will be made on the interior and exterior. Considerable money will be spent in the remodeling with a view of making this one of the nicest bank homes in this part of the state. As soon as an option was secured on the property, a meeting of the bank directors was held and the purchase was authorized. Rev. W. O. Goode of Greensboro, husband of Mrs. Clara Martin Goode and a member of the Western North Carolina conference came over and confirmed the sale.

The new drug store building will be on the south side of the Lineberger lot, adjoining Efrids department store building owned by Mr. C. C. Blanton. It will be 21x100 feet, two stories in front and built of red pressed brick. Plans have been drawn and call for plate glass show windows, tile floor, marble trimmings and other features that will make this one of the prettiest store buildings in town. Improving the whole lot with large buildings has been under consideration by the owners for some time, but for the present only one store room will be erected since the purchase of the Martin building by the Cleveland Bank & Trust company. No contracts have been let as yet, but material will be purchased at once and it is hoped to have the building ready for occupancy by August 1st.
