TWO SOLDIER BOYS ARE BROUGHT HOME

ODUS GREEN AND BUTLER HORD

Three Thousand People Attend Green's Funeral—Mr. Butler Hord is Buried at Elizabeth Church.

The body of Corp. Butler Hord which arrived in Shelby Saturday night from far Flanders fields where it had rested since the 9th of November 1918 was interred into its last resting place in the Hord family burying ground at Elizabeth church cemetery Sunday afternoon and was attended by a large crowd of sorrowing friends and relatives.

The funeral services were held at 3 p. m. at Elizabeth Baptist church, being conducted by the deceased life-long pastor, Rev. W. G. Camp, who in fitting and appropriate words paid his last respects to this noble and brave young soldier who in selfless devotion to his country's service, at the age of 23 years gave up his young life. He was killed in action overseas on November 9th, just two days before the armistice was signed.

Soldier Hord was a corporal in the 81st division and during months of service at home and overseas on the firing line never faltered or wavered in his duty, and was popular among his fellow soldiers and officers. He was the only son of Mr. and Mrs. Edgar Hord of the Buffalo section, and beside his bereaved parents is survived by five sisters: Mesdames Coe Spake, Violet Beam, C. O. Black, Jim and Albert Yarbrough and Miss Callie Hord.

Over a thousand relatives and friends from far and near attended funeral and with appropriate military honors the body was laid to rest beneath a blanket of exquisite floral designs.

Another Cleveland county soldier boy's remains were laid to rest in the soil of his native heath on Sunday afternoon when over three thousand people gathered in Kings Mountain school auditorium at three o'clock to pay their last respects to the memory of Otis D. Green who went overseas in the prime of early manhood to answer the call of his country, and was the first son of Cleveland county to lay down his life. He was killed in action on March 1st 1918 at the age of 22 years.

When quite a lad he joined the regular army and was among the first Americans to go overseas. He is the son of Mr. and Mrs. Thomas Green of Kings Mountain and is survived by several brothers and sisters.

Hon. C. R. Hoey of Shelby in his own beautiful, chaste diction delivered a masterful address and paid fitting tribute to the memory of this noble, brave young soldier of the World War, who died in so great and noble cause.

With military honors, escorted by a number of his comrades as pall bearers the body was tenderly laid to rest in the town cemetery, the beautiful floral offering mingling together in beautiful harmony with our country's noble flag.

A NEW MACHINE ENLARGES MUSIC

Wonderful Developments Being Made in Wireless Telephony and Sound Transmission

Mr. Emmett Thompson, son of Mr. and Mrs. W. Horace Thompson who is here on a visit to his parents from Warsaw, Virginia, brought with him a machine called a "magnavox" which enlarges the voice or any sound to such an extent that it may be heard for several miles. The Editor of The Star saw a demonstration of this instrument at the home of Mr. and Mrs. Carl Thompson a few days ago and it is truly a wonderful invention which is coming into more general commercial use. The Magnavox was first used in the Democratic convention in St. Louis. Last March it was publicly used in Washington, D. C. to enable the thousands of people to hear President Harding's inaugural address, his voice not being strong enough to "carry" over the vast audience. The instrument has a small transmitter about the size of a telephone transmitter from which a wire cord is run into an amplifier which "steps up" the sound to several hundred times its original proportion. The strength of the sound is determined by the voltage of the electrical current, it being possible to attach the instrument to a phonograph and carry the sound for miles. Mr. Thompson's demonstration was on an ordinary phonograph like those used in homes. The instrument would amplify the sound to such an extent that on a clear still night, it could be heard distinctly from a distance of ten miles from an elevated position.

The Magnovox has just been developed and is being put on the market where it will no doubt have a ready sale for public entertainment such as music halls, moving picture theatres, dances, etc. Some one has suggested that the town of Shelby might be induced to buy one to be attached to a phonograph on top of the court house from which position the finest music made by the artists can be rendered to the people for miles around.

This same firm in California which makes the Magnovox is making wireless telephone instruments. It is stated that since wireless telephony has been developed, the United States government is discarding wireless telegraphy on ships at sea and aircraft and replacing the instruments with wireless telephones. The telephones can be used by anybody, there being no need of a knowledge of telegraph code which requires several months hard practice to master.

Mr. Thompson says his company is also working on a small pocket telephone instrument which will be a little larger than a watch. A man can carry this little instrument in his pocket and telephone by wireless anywhere he wishes.

Beautiful Birthday Party for Two Little Girls.

Mrs. James B. Jones entertained in a most delightful fashion about sixty-five of the little lads and lassies of our town on last Friday afternoon from 4:30 to 6:30 in honor of her two attractive young daughters, birthdays, Misses Edelweiss and Develilly, aged respectively, ten and seven years.

The Jones home on North LaFayette street was prettily decorated in quantities of mid-summer roses and potted plants and the happy faces of merry childhood making a lovely setting for the en semble.

Many merry games were indulged in on the pretty green carpeted lawn and porch, under the direction of Mrs. Jones who was assisted in entertaining her young guests by Mrs. John Irvin, and Misses Agnes McBryer and Hannah Washburn.

At the conclusion of the games, the guests were invited into the dining room where a beautiful birthday table, with its two pretty birthday cakes and pink candles, were arranged and delicious pink and white ice cream and cake were served to the delight of these young people. Those serving were Misses Elenor Jones, Mary C. Hamrick, and Mary Helen Lattimore. As souvenirs of the happy occasion each guest was presented a dainty little pink basket containing candy and salted nuts. The two honorees were the recipient of many lovely gifts.

Distinguished Visitor in Last Week.

Mrs. Thomas W. Lingle of Davidson, past-president of the North Carolina Federation of Woman's Club and wife of the president of Davidson College, was a distinguished Shelby visitor last week for a few hours en route to the beautiful mountains of Western Carolina where she and Miss Mary McPhail Davis are establishing this year for the first time a vacation camp for young girls in the Pisgah Forest from June 30 to August 24. This camp, near Brevard and just twenty miles from Hendersonville has been named "Camp Ivy Hill" and is the old homestead of Rev. W. H. Davis and family, the building being large and comfortable.

The purpose of establishing the camp by these two cultured women has been to provide a happy, wholesome outdoor life for young girls. The individual girl has been constantly in mind in planning the various features. The campers being limited to fifty, each one will come under the personal supervision of the directors and carefully selected counsellors. Large enough to be democratic, the whole group will never be an unwieldy crowd, and culture will never be sacrificed for number.

Basket ball, tennis, baseball, volleyball and other out-door sports will

be enjoyed under the supervision of an athletic instructor. And a course in special studies, English, French, and Music will be the most important feature of this camp.

Miss Juanita Daniels, granddaughter of Dr. and Mrs. J. F. Peeler who, with her mother, is spending the summer here, expects to join Camp Ivy Hill next week for a two months stay. The camp can accommodate about fifty girls.

JUSTICE AND BEAM ACQUITTED OF CHARGE

Jury Finds Them Not Guilty of Transporting Liquor For Sale— Was Government Liquor

Deputy Revenue collector Marcus Justice and Enos L. Beam of Shelby were acquitted in Recorder Falls' Court Friday by a jury when they were tried for transporting liquor for sale. Some weeks ago Justice and Beam were seen hiding a five gallon container of whiskey in "Lover's Lane" just on the western outskirts of Shelby, whereupon Sheriff Logan was notified and officers concealed themselves in the woods to watch Justice and Beam drove up in Mr. Beam's car. Mr. Justice got the whiskey, then the officers put them under arrest.

Their testimony in the recorder's court was that Deputy Rhyme and Deputy Justice were on a raid near the three-county corners some weeks ago when they found this whiskey. Having another raid to make, they hid the whiskey in the woods and proceeded on to Morganton to return later for their prize. Deputy Rhyme who was the chief witness in the case and on whose evidence the men were acquitted, says he ordered Justice to get the whiskey and take it to Rutherfordton where it would be destroyed, Deputy Rhyme being laid off at the time on expenses. Mr. Justice says that while in Shelby one day he found that Mr. Beam was going to Rutherfordton next day on business and engaged him to go with him early next morning after the whiskey, which they did. In order to avoid curiosity seekers they claim they hid the whiskey in the woods for a few hours before going to Rutherfordton to turn it over to Deputy Rhyme.

The jury being convinced by the evidence that the whiskey did belong to the government, having already been seized by the revenue officers, Justice and Beam were acquitted.

LIGHTNING KILLS A LATTIMORE LADY

Miss Maude Gold, Daughter of Mr. and Mrs. J. O. Gold, is Suddenly Killed by Lightning

Miss Maude Gold, 24 year old daughter of Mr. and Mrs. John O. Gold of near Lattimore was instantly killed Friday afternoon about 2:30 o'clock when she was struck by lightning during a slight thunderstorm. Miss Gold was sitting on the porch with all the other members of the family except her father when the bolt of lightning struck. Her young sister, Miss Ethel Gold was badly shocked at the time, but has recovered. No other members of the family were injured.

Miss Gold was a splendid type of young womanhood greatly beloved in the community and her death is a source of great sorrow to her many friends. She was quiet and kind in her disposition and a devoted companion in the home where she will be greatly missed. Her body was laid to rest at Double Springs Baptist church Saturday afternoon at 3 o'clock, the funeral being conducted by her pastor, Rev. D. G. Washburn amid a crowd of sorrowing friends and relatives. The bereaved family have the sincere sympathy of their host of friends.

Twelve bags of nitrate of soda were burned and a wagon completely destroyed except the wheels last Wednesday when the soda caught fire from a lighted match. Charlie Williamson's son Fonz was driving a team of mules home with the soda and when he got in front of Mr. Jim Irvin's house several miles north of Shelby, the soda caught from a lighted match. In just a few minutes the flames had enveloped the whole wagon. The mules were unhitched by Mr. Irvin and Mr. Williamson and were unhurt, although the wagon, except the wheels, and the 12 bags of soda were a total loss.

MR. DANIELS THANKS THOSE WHO CONTRIBUTED

Editor Lee B. Weathers has received the following letter from Hon. Josephus Daniels, state chairman for the Near East Clothing Campaign:

My dear Mr. Weathers:—The ears of North Carolinians have never been closed to the cry of distress at home or abroad. Persecution of the Christians in Armenia has been as atrocious as to call for world indignation. But for American liberality, many who are now alive would have perished. We must continue to help them until stable conditions are restored. The gifts of clothing which your people have generously contributed will give warmth to many in the coming winter. Will you not thank all who helped? With grateful appreciation for your leadership in the good work, I am, Sincerely your comrade, Josephus Daniels.
