PLAYERS IN WORLD SERIES TO DIVIDE RECORD AMOUNT

Higher Admission Prices and Greater Seating Capacity Bring in Nearly \$300,000

New York, Oct. 11.—The players participating in the 1921 world series fund will divide \$292,522.33, a new high record for the players' share. Under the rules players and umpires cease to share in the gate receipts after today's game, the fifth of the series. The increased seating capacity and higher admission charges account for the new total.

While today's attendance and gate receipts fell slightly below those of Friday's game, the official figure gave 35,758 paid admissions for a total gate receipt of \$116,754. Of this amount the advisory board collected \$17,513.10, the players \$59,544.54 and the club owners \$39,696.36.

While the present series has not as yet evolved winner and loser, the two local clubs' players will divide \$219,391.66 on a basis of approximately \$131,634.97 to the team which finally captures the championship and \$87,756.69 to the loser.

Subject to possible minor corrections by the advisory board accountants the Cleveland and Pittsburgh players in the role of second place winners will divide something like \$43,878.34 while the two St. Louis teams as third in each pennant race will split \$29,252.23. The four umpires' remuneration will be provided from the advisory board's fund upon a basis of a sum equal to one winning and one losing player's share combined and divided into four equal parts.

Manney Reunion

Cherryville Eagle

Hon. S. S. Mauney was seventy years old Tuesday. The day was made the occasion for the gathering of his immediate family connection together with many other relatives and friends. A bountiful table was spread in the yard and a sumptuous dinner was heartily enjoyed by all present.

After dinner a few remarks appropriate to the occasion were made by Rev. B. D. Wessinger. Mr. Mauney is very active and well preserved for one who has reached his three score and ten years. He has served his generation will both as a private citizen and as a public official having served several years as a member of the legislature. He was remembered with a number of gifts. Many of those present lingered till late in the evening, all joining in the wish that Mr. and Mrs. Mauney may enjoy many years more together and many returns of the day.

R. F. D. No. 1, June 15th, 1921.

The American Agricultural Chemical Co.,
Greensboro, N. C.

Gentlemen:

It affords me great pleasure to write you what I think of your Basic Lime Phosphate—A. A. Quality.

I have found it to be a better formula than 8-2-2 or 16 per cent acid for wheat, clover, corn and grass crops I have used Basic Lime Phosphate for two years and consider it better than anything I ever used for the above crops.

I have had no trouble with rust or disease in my crops when I used Basic Lime Phosphate.

I trust you will so arrange that we can get Basic Lime Phosphate for spring and fall.

Although the season has been bad, my wheat crop of twenty acres this season is better than it has been for three years.

Yours truly,
(Signed) JOHN M. NICHOLS.

Prince Albert's a new note in the joys of rolling 'em!

Talking about rolling your own cigarettes, we'll tell you right here that Prince Albert tobacco has 'em all lashed to the mast!

You've got a handful of happiness coming your direction when you pal it with P. A. and the makin's papers! For Prince Albert is not only delightful to your taste and pleasing in its refreshing aroma, but our exclusive patented process frees it from bite and parch!

And, for a fact, rolling up Prince Albert is mighty easy! P. A. is crimp cut and stays put and you whisk it into shape before you can count three! And, the next instant you're puffing away to beat the band!

Prince Albert is so good that it has led four men to smoke jimmy pipes where, one was smoked before! It's the greatest old buddy-smoke that ever found its way into a pipe or cigarette!

Prince Albert is sold in tippy red bags, tidy red tins, handsome pound and half pound tin humidors and in the pound crystal glass humidors with sponge moistener top.
