BIG VERDICT AWARDED IN CHARLOTTE FEDERAL COURT

In a recent suit in the Federal court in Charlotte, Hon. John L. McLaurin was awarded a verdict of \$53,000 against the Automatic Steam Carburator company of Chicago. Mr. McLaurin had bought the rights of certain southeastern states from the company under the representation that the automatic steam carburator would increase the efficiency of an automobile at a saving of from 20 to 30 per cent in gas. In his complaint he set up that he had been grossly deceived and that the contrivance was a detriment rather than an aid to an automobile engine. He claimed damages in the amount of \$150,000. A motion for a new trial was denied and the case will go to the Federal court of appeals.

Mr. Sam Lattimore of Sharon was on this jury which was held in Charlotte a week or ten days for the trial of the case.

EYES

It is said that 15 or 20 per cent of the nerve forces generated in the human body is used by the perfect eye. Then think of how much it takes to supply the imperfect eye and the importance of having the eyes properly attended to. One great trouble in America has been treating defects instead of causes. The eye must be cared for in its relation to the body, and then proper steps will be taken to stop these nerve leaks.

SAFE IS ROBBED FROM STORE AT CROUSE, N. C.

Store of Wm. Carpenter, at Crouse, entered Friday night, by Burglars, Who Carry Away His Iron Safe and Contents.

Lincoln County News:

Bold bad burglars broke in the store of Wm. Carpenter at Crouse Friday night and stole his iron safe taking it away with them, it is supposed by truck.

The safe contained about \$125 in cash, about \$200 in checks and books containing store accounts, according to information received here.

Thus far there is no clue to the identity of the robbers.

The store was entered by way of rear window. A wheelbarrow about the place was used to convey the safe from the store to a point on the road near the railway crossing, where it was placed on a truck it is supposed. At least the track of the wheelbarrow was observed on the grounds. The wheelbarrow was found broken and it is supposed was broken by the weight of the safe. Auto or truck tracks were observed in the road at the point where the wheelbarrow tracks ended.

It is evident that the latest and most modern vehicle for quick moving, the truck, figured in this new form of robbery, while the populace sleeps. Small safes with money in them seem to be no handicap to robbers, who it is supposed take them to a secluded spot and blow them open for their loot. The truck, a great invention for quick transportation, and a handy vehicle in business, is also a handy thing for robbers in getting away quickly and quietly, tho it is very doubtful that the muffler was open, but if it had been who would have noticed it further than to think it one of the gas wagons that pass in the night.

Mr. Carpenter offers a reward of \$100 for return of his books, and \$100 for evidence to convict the burglars who stole his safe as will be seen by advertisement in the News of today.

REV. W. G. MOORE IS PLEASED WITH VIRGINIA

Former Pastor in Cleveland at home of Mrs. Woodrow Wilson at Church Established by Bro. Woodson

Dear Editor: I am sending check to apply on my subscription to The Star. A twice-a-week breeze from Cleveland is quite refreshing to an exile.

We like our new home. Our plant is the best in Southwest Virginia. The membership, however, is small. They used to say that this section wouldn't grow two important southern products: Baptists and sweet potatoes. The ground's being cleared now.

We have six churches: Baptist, Methodist, Presbyterian, Episcopal, Christian and Catholic. The Methodist is the strongest numerically, the Presbyterian financially, and the Baptist for the last few years has made the most progress, while the Catholic seems to have made the least. Brother C. J. Woodson, the founder of the Baptist church, would be surprised and gratified if he could see the progress of thirty six years—no longer on a back street, but on church street with the very best modern equipment.

I have made a mistake. I should have said that we have seven churches—the perfect number. And it seems the right church to cap off with. On the far West end of the town there is a very small sanctified church hard by the railroad. Coming by this church late on Sunday night you would get the impression that the object of the meeting is to produce more noise than the ponderous freight trains that go thundering by. Well, these sanctified folks (?) play just as important role in the life of this historic, aristocratic town as their location and building would indicate. Religious fools like all other fools never get into the heart of things.

The people of Wytheville take much pride in the fact that Mrs. Woodrow Wilson was born and reared here and that Virginia's next Governor, Hon. Lee Trinkle, has his home here.

Well, we Tar Heels know this: that things would move much faster in certain sections of the Old Dominion if it were not for the fact that Lee Jackson, LaFayette or some other notables "walked the streets of our town."

Last Tuesday we had a fine demonstration of the fine, splendid way that these Virginia Baptists take care of their pastors. What a pounding. It looked like a grocery store being moved into the parsonage.

The preacher's life is a pounded life. There are poundings IN and OUT.

These poundings IN, how good they are.

But, my, those poundings OUT.

Best wishes to the Star and greetings to my friends in Cleveland. I am.

Cordially yours, W. G. MOORE, Wytheville, Va., Oct. 28.

CASAR NEWS NOTES OF LATE INTEREST

Mrs. Joe Pruett Dead—Farmers Through Harvest — Personal Mention

Special to The Star: Casar, Oct. 31.—The people in this part of the community are almost thru harvest, and every one seems to be glad to see the rain come which fell Saturday night. Most of the folks here were preparing to go to Oak Grove Sunday; but missed their trip on account of the rain.

Mrs. George Newton, and daughters Misses Grace and Dessie visited Mrs. Nick Saunders Sunday who has recently returned home from the Bathurst hospital, where she had a serious operation.

Miss Dessie Grace Newton will leave today for Piedmont High School where she will spend the rest of the term.

The school will begin here today, with Mr. Perry Whisnart as principal, and Misses Hattie Wortman and Lethia Hogg as the assistants. We are expecting a good school this year.

Mrs. A. C. Brackett is very ill at this time, she has been in a serious condition for about a week, her trouble is due to Brights Disease.

There will be singing at the M. E. church every second and fourth Saturday night. We want all especially that belong to the choir to come and take their place.

The many friends of Mrs. Joe Pruett will be sorry to learn of her death which occurred Wednesday night of last week. Her death was due to paralysis. She was laid to rest Thursday in the Pisgah cemetery.

Mr. and Mrs. Jack Ramsey from Morganton have moved to Casar. We are glad to have them with us.

EDWIN W. FIELD, Milwaukee, Wis.

"I'm convinced if I had taken Tanlac two years ago, when my troubles first began, I would have been saved a world of suffering," said Ed W. Field, 538 Jefferson St., Milwaukee, Wis.

"My case proved that when a man's stomach goes wrong, everything goes wrong with him. The first thing I noticed out of the way was loss of appetite and next, that no matter how sparingly I ate, I was sure to have an attack of indigestion. This was two years ago and from that time on, until after I started on Tanlac, I kept going down hill at a steady rate. I finally got so I couldn't walk a couple of blocks without having to stop and rest and I was so nervous that often I sat up in a chair all night long.

"Tanlac has made a new man out of me, my stomach is as sound as a dollar and I feel fine all the time. I am a firm believer in Tanlac because I know it delivers the goods."

Tanlac is sold in Shelby by Paul Webb and by leading druggists everywhere.
