SHELBY WINS IN FOOTBALL SERIES

ELIMINATES ASHEVILLE IN CHAMPIONSHIP

Will Now Play Winston-Salem for High School Championship of Western Carolina

Dick Gurley's Shelby High school football team won the right to meet the Winston-Salem High school team for high school championship of western North Carolina here Monday by handing the Asheville High the surprise of the season and winning the semi-final encounter, played in a field of mud, by the score of 7 to 6—the difference of a goal from touch-down. The local Highs are due to meet the Twin City adherents Saturday and there is a possibility that the game will be played in Winston-Salem.

An intercepted forward pass by Austell in the second period was followed by an uninterrupted jaunt of 30 yards for a touchdown. Conner kicked goal.

During the remainder of the contest the Mountaineers outplayed the local eleven, introduced to the game only this season, but lacked the punch necessary to win, after almost tying. A fumble on Shelby's 1-yard line robbed them of one touchdown.

Asheville won the toss and received the ball, defending the higher goal, but was quickly forced to punt and the ball stayed in her territory throughout the first two quarters. Shelby earned her touchdown near the end of the second quarter when Austell intercepted a forward pass and ran 30 yards for Shelby's touchdown. Conner kicked goal.

The third quarter was evenly played with the ball mostly near the middle of the field. In the fourth quarter, the superior weight of the Asheville team, aided by a desperate revival of spirit and their down-hill course, gave the Mountaineers slight advantage. However Shelby held them for downs on the Shelby 20-yard line but on Shelby's first play, a Shelbyite fumbled and Asheville recovered and quickly drove through the mud for her touchdown, Stacy Smith carrying the ball over, Chakales failed to kick goal.

There was far less fumbling than usual on a wet day. However, it was a fumble by Shelby that gave Asheville her chance for a touchdown and it was a fumble by Asheville that cost them the game in the last minute of play when Asheville dropped the ball on the one-yard line and Grigg, Shelby's center, recovered it. On the punt out by Shelby, from behind her goal-line, L. Manley, attempting to block the punt, was knocked unconscious and was taken out.

The game ended with the ball in Asheville's possession on Shelby's 20-yard line. There were only two forward passes attempted. The strong wind robbed Shelby of two beautiful placement kicks. Both teams played a game far superior to ordinary high school football. Perhaps the outstanding star of the game was Donaho, Asheville's wonderful center, who featured in perfect passing and wonderful defense.

Other Asheville stars were Chadeel, Chakales, Stacy, Smith and P. Atkinson. The entire Shelby team played heroic ball. This is their first year's organized experience and Coach Gurley is elated over his team's prospects for the State championship.

82 BIDS MADE FOR ROAD WORK IN SIXTH DISTRICT

Highway Commission Sifting Offers on \$1,500,000 Worth of Construction—Let Contract for Road

Raleigh, Nov. 29.—The state highway commission tonight had not completed sifting down and comparing the 82 bids made for \$1,500,000 worth of road construction in the sixth district. Opening the bids took all day, and engineers of the commission went back after supper to complete the task if possible. The commission let a contract in the fifth district hanging over from the other letting to Elliott Sons and Boggs, of Spartanburg, S. C., for \$292,958.60. This is the road in Davidson county running from Lexington to the Yadkin river.

Some of the low bidders in the letting today were newcomers in construction in the state and the commission is making an effort to find out something about the concerns before the contracts are let. The commission also has under consideration bids for 50,000 barrels of cement.

ASHEVILLE HIGHS PROTEST THE GAME

Officials Are Criticized for Faulty Interpretation of the Rules Asheville, Nov. 30.—Asheville High school football authorities today protested the game played with Shelby last Monday to the athletic authorities at Chapel Hill. Their protest claims are based on alleged infractions of rules which cost the locals their chance of victory.

Affidavits will be prepared and sent to the extension bureau at the State University for final action. The alleged infractions as set forth are: Disallowing of referee's decision regard to possession of ball, which cost the Asheville team a touchdown in the last two minutes of play; coaching from sidelines by Coach Gurley, of the Shelby team; rushing of crowd on field in last few seconds of play when Asheville was attempting a drop kick; officials not calling time out when Manley was hurt in last few minutes of play and various other minor infractions.

LOCAL TALENT MUSICAL COMEDY HERE TUESDAY

Will Be Presented in Graded School Auditorium Tuesday Dec. 6th

Contributed:

If you enjoy an occasional hour of real fun, do not fail to see Miles Standish, a most attractive musical comedy, at the school auditorium on December 6, at 8 p. m. At this time the burley captain, his staunch pal, John Alden, modest Miss Priscilla and many other well known characters, dropping their sober masks, will appear in Burlesque such as Longfellow dreamed not of.

The play is one continuous flow of wit, snappy songs and—well, we won't say dancing tho the Plymouth maidens do get rather agile at times. Even the plot is changed from the original in spite of the fact that at the end Miles refuses to wed an Indian squaw, "since Longfellow didn't tell him to." To be brief,—you really cannot afford to miss it!

For some weeks the cast (all star, of course) has been hard at work under the direction of Misses Parish & Harmon. Neither time nor energy has been spared in the effort to make the production the success of the season. The cast is composed of some of the best High school and town talent, many of them having won applause in previous performances.

Tickets will be on sale by Friday, December 2nd. Adults 50c, school children 25c. Don't fail to come!

MR. HOEY ARGUES FOREST CITY SCHOOL HOUSE CASE

Attorney Clyde R. Hoey returned yesterday from Raleigh where as attorney for the School Board of Forest City he argued the case on appeal to determine whether the board of aldermen or the School Board of Forest City will build the new school building. A bond issue was voted for a handsome building and after the sale of bonds, the aldermen refused to turn the money over to the School board to supervise the erection of the building. There is and has been some feeling between the two boards and when the aldermen refused to turn over a bond money to the school board, a restraining order was secured in which Judge Shaw held that the school board had a right to supervise the erection of the building. An appeal was taken by the aldermen and a decision is expected shortly from the Supreme Court which will determine the board that will supervise the construction. There seems to be no difference between the boards as to the location or place of the building.

Mrs. Sush Stroup, Chairman of Red Cross Seals

As the Christmas season draws near again our minds are called to think on those in our state and nation who need our help. Once each year we are asked to put forth a very special effort to help those suffering from tuberculosis by buying the Red Cross seals. When we realize how little we are asked to do and yet what marvelous good has been accomplished through the sales of these seals, can we afford to shirk our duty, and leave those less fortunate than ourselves to go on suffering from this dreaded disease?

Perhaps some are doubtful as to the work being done against this white plague, but when we face the facts and figures we can no longer hesitate. In our own state alone in 1913 there were 4,800 deaths due to tuberculosis, in 1920 the number had decreased to 2,908.

While we are spending thousands, yes, millions of dollars for other improvements, may we not forget to lend a helping hand, even in a small way, to alleviate suffering and death in our own community and state.

MRS. RUSH STROUP.

Beautiful Rook Hospitalities

At her lovely home on West Warren street, Mrs. Zeb Mauney, honoring her niece, Mrs. Flay Hoey, Shelby's newest bride, and Mrs. Hugh Mauney, her kinswoman and a newcomer to Shelby, entertained at one of the most beautiful rook hospitalities of the season on Wednesday afternoon from 3:30 to 6 o'clock.

The house was radiant with a color note of yellow and white, expressed with quantities of giant yellow chrysanthemums grown in the hostess' own lovely flower garden. The fortunate guests found their places at the six tables scattered about by dainty score cards in yellow and white.

After a number of interesting progressions, the hostess, assisted by Mrs. Claude McBrayer, served an elaborate ice course in which the color scheme was carried out.

Again on Thursday evening from 8 to eleven the Mauney home was thrown open, Mr. and Mrs. Mauney entertaining in honor of Mr. and Mrs. Hoey and Mr. and Mrs. Hugh Mauney. Rook was again the game of the evening at the conclusion of which ices were served.

JAPAN WOULD BE GAINER IN NAVY

AMERICA WILL STAND PAT FOR RATIO

Decision in the Arms Conference is Drawing Near—Relations About to be Strained

Washington, Nov. 29.—The purpose of the American delegation to the arms conference to accept no modification of Secretary Hughes' proposed "6-5-3" ratio of naval strength as the fundamental basis of any limitation agreement was authoritatively reiterated today. The statement was backed by disclosure of the facts as to existing naval strength.

This showed Japan to have less than the 60 per cent status to which the "6-5-3" plan would entitle her, no matter what method of calculation was applied. It showed also that the American delegates had been over the whole field before offering the plan and that their figures were correct.

Meanwhile Prince Tokugawa, of the Japanese delegation declared that the statement yesterday of Vice Admiral Kato, of the Japanese advisory staff, contending for a 70 per cent status for Japan was based on "personal opinion" alone. It was not, the prince said, sponsored by the delegation, which Vice Admiral Kato is not a member.

Prince Tokugawa Talks

Prince Tokugawa would not reveal, however, the actual view of the Japanese delegates as to what percentage Japan would insist upon in fleet strength. He said the four delegates were determining this for themselves, independently of any additional instructions from Tokio. He would not say whether a decision actually had been reached as yet.

While these developments indicated still more strongly that a decision of this fundamental question was drawing near, the arms conference itself marked time. A further meeting of the naval experts of the United States and Japan, scheduled for today, was postponed for 24 hours at request of the Japanese.

The Americans were not informed as to the reason for this postponement. At Japanese headquarters it was said further time to examine figures supplied by the Americans was needed.

In any case, the naval experts of the three powers chiefly concerned are scheduled to meet tomorrow in further sub-committee deliberations. Their work cannot deal with any major factor in the American naval plan, however, for today's revelations showed that these constitute a closed chapter of proceedings.

U. S. Position Firm

The British experts have fully accepted the accuracy of the original American fleet estimates. The Japanese have been able to produce no figures competent to challenge successfully the American showing.

BIG GAME TO BE PLAYED AT WINSTON-SALEM

The championship football game between Shelby and Winston-Salem will be played Saturday afternoon at Winston-Salem instead of Greensboro as was first announced. The change was brought about because of the financial risk that was involved if the game were played in Greensboro. Shelby was to get a 5 to 1 share of the gate receipts at Greensboro but Shelby feared that a rainy day might cut the attendance so much that the crowd would be small. Winston offered all expenses and fifty per cent of the gate receipts so in view of the fact that Winston would have the largest crowd at Greensboro, the game might as well be played at Winston where there would be less chance of a heavy financial loss should the rain come.

Dick Gurley's crack Shelby team is in fine fettle. The boys will leave this morning for Winston-Salem in order to have a good night's rest before the big battle Saturday afternoon.

Unto The End

"How's this?" asked the lawyer. "You've named six bankers in your will to be pall-bearers. Of course, it's all right, but wouldn't you rather choose some friends with whom you are on better terms?"

"No, judge, that's all right. Those fellows have carried me for so long they might as well finish the job."

Campbell Dept. Store has just purchased a big lot of harness and a solid car load of buggies from best known manufacturers which they are going to offer at less than manufacturers prices. This is a real opportunity.
