Fallston School Bond Election Explained

There seems to be some misunderstanding in the Fallston school district, according to County Superintendent J. C. Newton. A special election has been called to be held January 14th and a report has been circulated to the effect that this is on the question of increasing the levy 50c on the \$100 which will be in addition to the present levy of 25c on the \$100. Supt. Newton says the levy will not be 75 cents as some are reporting, but that the election is to increase the levy from 25c to 50c and that 50c will be the entire levy for school purposes. The law says that no local school tax district can vote a tax of over 50c on the \$100 property valuation. Twenty-five cents of this amount, if this election carries in January, will be for the maintenance and support of the school while the other 25 cents will be used to build the proposed new school building which has been advocated for a long time and is badly needed.

GO RIGHT AT IT

Friends and Neighbors in Shelby Will Show You a Way.

Get at the root of the trouble. Rubbing an aching back may relieve it.

But won't cure it if the kidneys are weak.

You must reach the root of it—the kidneys.

Doan's Pills go right at it; Reach the cause; attack the pain.

Are recommended by many Shelby people.

Ask your neighbor.

Mrs. S. P. Short, R. F. D. No. 3, S. Morgan St., Shelby, says: "My kidneys troubled me quite a long time. I had a dull ache all through my back and couldn't stoop at times. When I did my housework I just gave out and had to stop and rest. I had nervous headaches and my kidneys were never regular in action. I used Doan's Pills and they were the right remedy for me. Doan's soon strengthened my back and regulated my kidneys and I was rid of the aches and pains."
