## Suttle's Drug Store

"THE GIFT SHOP."

### A LINE O' CHEER

By John Kendrick Bangs.  
STIMULANT

TO RISE at dawn in time to view  
The roses filled with morning dew  
Gives me a cup from which to  
A brew of joy to kill the chaff  
That lies along the dusty way  
That I must tread throughout the day.  
And lend new vigor to the stride  
That leads me on to eventide,  
Whence with the setting of the sun  
I go to rest from duties done.  
(© by McClure Newspaper Syndicate.)

### "What's in a Name?"

By MILDRED MARSHALL

Facts about your name; its history; meaning; whence it was derived; significance; your lucky day, lucky jewel

### BEULAH

BEULAH is one of the oldest and most sacred of the religious names. It means "married" and is the contracted form of the title "Land of Beulah." As an allegorical name, it was prophetically applied to Israel in Isaiah: "Thou shalt no more be termed Forsaken; neither shall thy land any more be termed Desolate; but thou shalt be called Hephzibah and thy land Beulah: for the Lord delighteth in thee and thy land shall be married."  
When the vogue for religious names passed at the outset of the Twentieth century, Beulah suffered a temporary loss of popularity. But of recent years, it was thought sufficiently quaint and old-fashioned to undergo revival. Among the deeply religious, of course, it has flourished uninterruptedly, being handed down from generation to generation to insure the perpetuation of its heritage. It is regarded as an especially lucky name and one which promises material, as well as spiritual, riches.

Coral is Beulah's talismanic stone. It will bring her bodily health and give her great wisdom, according to an ancient legend. But it must never be chipped or broken if it is desired to exercise its magic powers. Friday is Beulah's lucky day and 2 her lucky number.  
(©, 1923, by Wheeler Newspaper Syndicate.)

Orange (N. J.) carpenter has been arrested drunk 62 times this year. Where does he get so much money?

## Most Every Woman

Admires an Ivory Dresser Set. In fact, she considers it a necessity.
