Society Frozen Out.
When the "Society Editor" asked down town Monday, "what do you know, any news, any parties, anybody going and coming?" One man said "Yes, I've been going and coming three times a day carrying buckets of water. My pipes were frozen," and a woman said "I had to go to church yesterday and come to work this morning without a face wash," and everyone says "such cold weather. I've never experienced, we just sit and hug the fire." The aforesaid editor believes that society was "frozen out" this past issue, and when the weather warms up the people will begin doing things, then the society column will grow longer.

"I was pale and thin, hardly able to go," says Mrs. Bessie Bearden, of Central, S. C. "I would suffer, when I stood on my feet, with bearing-down pains in my sides and the lower part of my body. I did not rest well and didn't want anything to eat. My color was bad and I felt miserable. A friend of mine told me of

THE NEW PRINCESS

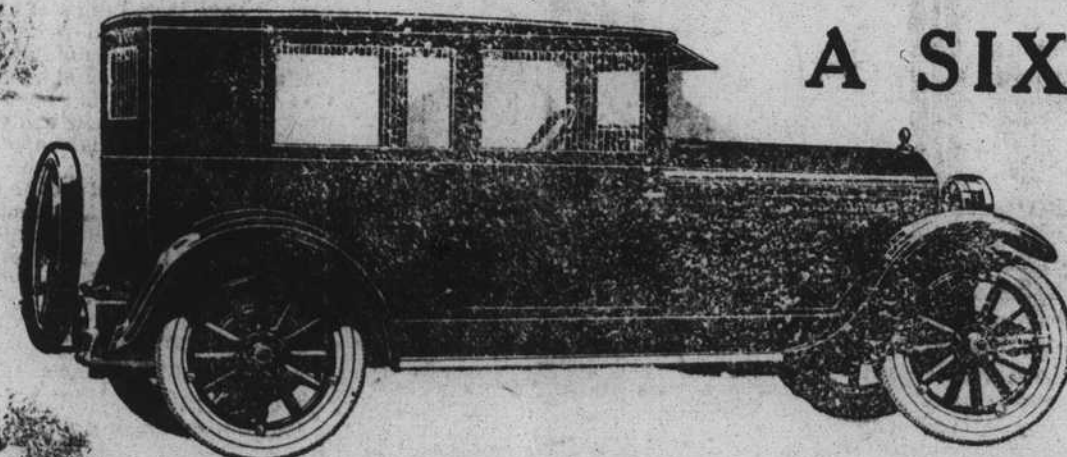

Special Music Daily—Matinee 2 to 4 P. M.—Night 7:30 to 10:30

PRINCESS TODAY
Today William Fox presents Dustin Farnum as "Chic" Shelby in "The Grail", a gripping story of the Texas Rangers. The Rangers said "Chic" Shelby would handcuff his mother if such were his orders for duty comes first with a Ranger but "Chic" had to choose between love and duty. His choice is a moral for the boys and something you should see at the Princess Friday.

SATURDAY'S PROGRAM
Charles Jones in "Big Dan" at the Princess Saturday is a real honest-to-goodness Saturday film with two-fisted action enough for all but subtle enough for the more blasé theatre-goers. "Big Dan" O'hara was born a fighter but with a refined instinct. He thrashes "Cyclone" Morgan only to be knocked out himself by Dan Cupid for a count "I am now on". An added attraction of the night is a comedy that was made to make people laugh and as yet hasn't failed in its purpose.

MONDAY NIGHT ONLY
"Uncle Josh Simpkins" a rural play similar to "Way Down East" and "The Old Homestead" will be presented at THE PRINCESS THEATRE, Monday evening January 14 by a splendid acting company and produced with special scenery, including a saw-mill scene, in which a real buzz-saw is used. "Uncle Josh Simpkins" is said to be "chuck" full of good wholesome comedy with good singing and dancing vaudeville presented during the action of the play and between the acts. The engagement here will be for one night only. Remember pictures will be shown at Matinees at regular prices—15 and 25c. Night prices 25 and 30, 75 and \$1.00. Get your Reserve seats now.

The New ESSEX A SIX

A 30 Minute Ride Will Win You

Hoey Motor Co.

Priced \$170 lower, the New Essex Coach provides a larger, handsomer body, with even greater passenger comfort than the former Coach. And its 6-cylinder motor, built on Hudson patents give smoothness and performance distinction, heretofore exclusive to the Super-Six.

Qualities of Both Hudson and Essex
Its abilities are as exclusive in this field as Hudson's. Think of what that advantage means. And it has in full those hidden values that keep Hudson and Essex cars like new, after thousands of miles and years of service.

Everyone Calls It "Ideal Transportation"

Simple to keep in first class condition. Requires little attention. Lubrication for the most part is done with an oil can. Mileage on fuel, oil and tires is exceptional.

No car we ever announced has met with such a reception. You must be impressed as everyone has. You, too, will say: "The New Essex provides ideal transportation".

Will Sail Saturday.
Mrs. Alexander has no children living. Dr. Dixon, who is 69 years old, has three daughters and a son.

Dr. Dixon will sail Saturday from New York on the S. S. Majestic. He will remain in Europe two months, returning with his bride in March. He will preach the second Sunday in March at the University Baptist church, where the announcement of his engagement was made last night.

Uncle Josh Simpkins at Princess
The New England comedy "Uncle Josh Simpkins" will be produced at the Princess theatre Monday evening January 14. The play contains an interesting and intelligible plot, but it is not allowed to interfere with the fun, which is said to be in abundance. During the run of the play some startling scenes and situations are seen, the principal of which is the saw-mill, in the third act shown in complete operation, cutting up real timber. The saw used is the genuine article, the same as is usually seen in large country sawmills. "Uncle Josh Simpkins" has been presented for several seasons to large audiences and like "Way Down East" and "The Old Homestead" will never grow old. The play is full of bright comedy and splendid vaudeville specialties are introduced between the acts. Tickets now on sale at the box office.
