Several on the Sick List are Now Improving.

Special to The Star.  
Grover, Jan. 5.—We have the promise of rain or snow from the appearance of the weather here this afternoon. A good deep snow would add much to the crop prospects for another year.

**TALKS TO DOCTORS  
DURING OPERATION**

Mrs. Henry Lange, 75, of Meridian Conn., who has been discharged as cured from the Meridian hospital, had the novel experience of watching the surgeons remove half her stomach and cut a large growth from her intestines while she was under the influence of local anaesthetics only.

Drs. David P. Smith and E. W. Smith performed the operation. It took two hours during which Mrs. Lange conversed with the surgeons and was fully aware of what they were doing.

Beavers are building a big dam near Augusta, Me. Congress should go watch them work.

Cannot Praise Lydia E. Pinkham's Vegetable Compound Enough. Sick Women Read This Letter

Charleston, S. C.—"I was completely run-down and not able to do my household work. I just dragged myself around and did not have energy enough to get up when I sat down. I read advertisements of Lydia E. Pinkham's Vegetable Compound in your books and learned about it. I got benefit from the very first bottle. I continued to take it for some time, and now I am doing all my own work, even washing and ironing, and never felt better in my life. I tell all my friends that the change in my health is due to but one thing and that is Lydia E. Pinkham's Vegetable Compound. I cannot praise it enough."—Mrs. ANNE YOUNG, 16 Amherst St., Charleston, S. C.

The reason for such a letter from Mrs. Young is apparent. She got well and is grateful. Recently a nation-wide canvass of women purchasers of Lydia E. Pinkham's Vegetable Compound was made, and 98 out of 100 reported that they received benefit from taking it.
