

"Even better than my former Essex" And Costs \$170 Less

Advantages of both Hudson and the former Essex are combined in the new Essex Coach.

And with finer body and a 6-cylinder motor, built on Hudson patents, its cost is \$170 less than Essex closed car comforts ever sold for.

It continues the famous Essex qualities of performance, economy and reliability.

Steering is like guiding a bicycle. Gears shift easily. Care of the car calls for little more than keeping it lubricated.

Its economy includes not only exceptional gas, oil and tire mileage, but a policy of minimum maintenance cost with parts prices that will astonish you.

ESSEX COACH \$975

Tearing Model \$850—Freight and tax extra

HOEY MOTOR CO.

You can paint for less with KURFEES Pure Paint

KURFEES Flat Tint will give your walls and ceilings a soft, velvety finish of unsurpassed beauty. Flows on easily, it's rich cream. It's washable—14 beautiful tints. Ask for booklet of color combinations for every room.

THE HEAVY LEAD BODY of Kurfees Paint forms a tough, solid film that is proof against extreme hot and cold weather. It hides the discolored surface. It's the lead in paint that forms the protecting film and retains the brilliancy of color. Kurfees Paint contains 20% to 40% more lead per gallon and will cover (hide) more surface.

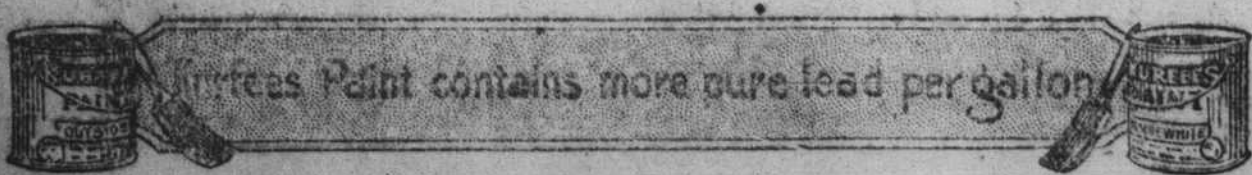

Compare Paint Formulas—here's Kurfees: Pure Carbonate Lead... 60%, Pure Zinc Oxide... 20%, 100% tinted with Pure Colors, Ground and Mixed with Pure Linseed Oil and Drier—that's All.

It's the greater quantity of pure carbonate of lead in Kurfees Paint, scientifically combined with pure linseed oil that makes it flow smoother and more quickly under the brush. It saves time and work in applying, hides and protects more square feet of surface per gallon and lasts longer in the weather. You can paint better and for less with Kurfees.

Come in and see the beautiful color combinations and let us show you how little it will take to paint your house right.

Kurfees Makes a Paint for Every Purpose—We Have Them

Miss Rebecca Bridges Buried at Sandy Plains

Well-Known Maiden Lady Who Loved Church and Neighbors, Passes To Her Reward.

Special to The Star. Miss Rebecca Bridges better known and called by almost everyone who knew her "Aunt Becky" was born November 28th, 1845 and died February the 28th, 1924, age 78 years 3 months and 29 days. She joined the church at Sandy Run 53 years ago and was a member there ever since, never moving her membership anywhere else. She was a faithful member. She lived three miles from the church but still the distance did not keep her away from her church when she was able to be there. She did not have any convenient way to go but would walk it even through the heat or cold. She was not only good to go to her church but was good to go to other churches, good to visit the sick or divide her means with those who suffered misfortune or do anything she could to help the needy. Aunt Becky will be greatly missed in her community on account of her kindness to everybody. She was never married and lived a lonely life. She had been sick for several months and had been in the Shelby hospital for some time before she died. She said she did not want to get well she said she was ready to meet her Savior, whom she had been trusting in for more than fifty years. It was her request that Rev. B. M. Bridges and Rev. I. D. Harrill conduct her funeral services and also that they sing that good, old song "Amazing Grace" Her request was carried out and her body was buried at Pleasant Ridge church near her home. She had six sisters and one brother all of whom are dead except one sister, Mrs. Vatie Green. May we all take warning and try to be like Aunt Becky when the summons comes, be ready to go. I would say to her only sister, weep not for her for it will not be long until you can meet her where partings come no more on that bright and happy shore. C. B. H.

If capital could be induced to worry along with fewer dividends and labor with less pay, the millenium might not be so far away.

Brains is one thing that can't be syndicated.

Chero Cola Bottlers Attend Convention

Preparations are being made at the Chero-Cola Bottling company, Shelby, to attend the Chero-Cola Bottlers convention to be held at Columbus, Ga., this week.

The following members of the local Chero-Cola Bottling company will attend E. E. Holcomb and others.

This convention is an annual event among Chero-Cola bottlers. While at Columbus, Ga., they are the guests of the Chero-Cola company.

This year the program consists of a barbecue at the Chero-Cola company's plant convention hall, two days business sessions and a banquet at the country club as a climax to two busy days.

While away at the convention, a number of employees will remain here to supply Chero-Cola to the trade.

As a result of bottling a quality drink, well laid sales and advertising plans, and the inspiration received in exchanging ideas at the convention, a big year is predicted for Chero-Cola in 1924.

Mrs. Margaret Proctor Buried At New Hope

Mrs. Margaret Proctor died Thursday March 6th at the home of her son near Earl at the age of 98 years. She was the mother of eight children, five of whom are living—3 sons and 2 daughters. A long line of descendants also survive, 33 grand children, more than 40 great grand children and a number of great, great grand children. Mrs. Proctor joined the Baptist church at Mount Zion while young and lived a faithful Christian life. Before marriage she was Miss Whitworth. Her husband died about fifty years ago. The funeral was conducted Friday afternoon at 2 o'clock and the interment was at New Hope Baptist church.

MAY PROVE FATAL

When Will Shelby People Learn the Importance of It?

Backache is only a simple thing at first;

But if you find 'tis from the kidneys;

That serious kidney trouble may follow;

That dropsy or Bright's disease may be the fatal end,

You will be glad to know the following experience.

'Tis the statement of a Shelby citizen.

Mrs. H. E. Lee, 221 Smith St., says: "I was troubled with my back and kidneys. I felt all run down and tired out and my work was a burden. When I bent over, I could hardly straighten again. I became dizzy and black specks appeared before my eyes. My kidneys were weak and there were other distressing symptoms of kidney disorder. I used Doan's Pills and they helped me from the start and soon entirely cured me."
