STEWART ELECTRIC REPAIR COMPANY Automotive Building.

(NOTE: Dr. Pierce is president of the Invalids' Hotel, Buffalo, N. Y., to which for 50 years past chronic sufferers have been coming for specialized treatment from all over the U. S. A., Canada and foreign lands.)

Will Undo Much Evil

By Dr. V. M. Pierce Knowing the vast amount of harm wrought by diseases of the kidneys, and having had opportunity to observe the analyses and the successful methods of treatment in thousands of cases of kidney trouble at the Invalids' Hotel, I have recently given to the public the latest and perhaps most important of the Dr. Pierce home remedies, "An-uric" (anti-uric-acid) Tablets, which I now recommend to those who suffer with kidney backache, irregularity of urination and the pains and disturbances that come from excess of uric acid in the blood.

NOTICE OF SALE OF REAL ESTATE.

Under and by virtue of an order of the Superior court of Cleveland county, North Carolina, made in the Special Proceeding, entitled "Thad Allen and wife, Nancy E. The aforesaid tracts will be sold separately, and then as a whole, or both, as the Commissioners may prescribe. This the 21st day of March, 1924. THAD ALLEN, Commissioner. By: B. T. FALLS, Clyde R. Hoey, Coms.

In Memoriam Of Mr. Jno. D. Stockton

Special to The Star. Mr. John Daniel Stockton passed away Tuesday night, March 11th about 8 o'clock at his home in the Double Springs community. His host of friends and relatives had been in a measure prepared for the inevitable, the message brought sorrow to the hearts of many.

Mr. Stockton had been suffering from high blood pressure for several years and since November had been confined to his room most of the time. About three weeks ago he became seriously ill he bore his suffering with the greatest patience, never complaining at anything. He was given every attention possible but all that skilled physicians and loving nursing could do availed nothing, and he passed away as he had lived quietly and unafraid. He told his loved ones and friends that God was with him and he was not afraid to die.

The deceased was born in No. 7 township about 3 miles north of Lattimore on September 14th, 1863 the son of the late Mr. and Mrs. Joe Stockton and was 60 years old his last birthday, and a most devoted husband and father.

Mr. Stockton was a prominent farmer who was held in high esteem throughout the community where he was known.

He joined the Baptist church at Double Springs in early boyhood and has lived the life of a consistent Christian every since.

On January 19th 1887, he was married to Miss Florence Poston who with two children survive, all of whom live at the home. Surviving also are one brother, Mr. Miller Stockton of Raleigh and four sisters, Mrs. Johnnie Hamrick of Kings Mountain, Mrs. Rhoda Wilson of Lawndale; Mrs. J. G. Lattimore of near Lattimore and Mrs. Everett McDaniel of Shelby.

He was buried at Double Springs Wednesday evening, the funeral services being conducted by his pastor Rev. John W. Suttle and Rev. D. G. Washburn. Adv.

Poise is that attribute which marks your silence seem dignified when a fellow shows that he is just plain ignorant.

Mr. Barnum's contribution to vital statistics was singularly free from error. Ask any blue sky salesman if we're not right.

WOMAN SO ILL COULD NOT WORK

Tells How Lydia E. Pinkham's Vegetable Compound Stopped Her Suffering and Restored Her Health

Momence, Illinois.—"I surely can recommend your medicine to other women who have female weakness, as it has helped me very much in every way possible. I was working in a dining room in town, and sometimes I could not do my work; had pains in the lower part of my body and had to stay in bed. One of my neighbors told me what good Lydia E. Pinkham's Vegetable Compound did for her, and it has surely done wonders for me. I hope all women who suffer will take my advice as the Vegetable Compound has done so much to bring back my vigor and strength."—Mrs. ALBERT E. DESCHAUD, Momence, Illinois.

Over 121,000 women have so far received benefit from taking Lydia E. Pinkham's Vegetable Compound 79 per cent. of these replies answer "Yes."

That is 68 out of every 100 women who take this medicine for the ailments for which it is recommended are benefited by it. For sale by druggists everywhere.

COMMISSIONERS' SALE.

By virtue of a decree of the Superior court of Cleveland county made in the proceeding of S. E. Peeler and wife, et al., vs. Louvina (Winey) Peeler, we, as Commissioners will sell at the court house door in the town of Shelby, N. C., at public auction to the highest bidder on

Monday, May, 5th, 1924, within legal hours the following described real estate, situated in No. 8 township, Cleveland county, North Carolina:

1st Tract. The home place of the late B. P. Peeler, containing 86 acres more or less, and being all of the land situated on the same side of the road with the residence.

2nd Tract. Containing approximately 47 acres and being the land situated on the opposite side of the road from the residence property.

The foregoing tracts will be surveyed out and a plat made of same and said plat may be inspected in the office of the Clerk of the Superior court at least ten days before the date of sale and same will also be exhibited on the day of sale.

Terms of Sale: One-third cash on day of sale, balance on December 1st, 1924, the deferred payments to be evidenced by not with approved security and to bear interest at six per cent from day of sale. The purchaser will receive the rents for the year 1924 and will pay the taxes for the year 1924. Title reserved until all the purchase money is paid. This April 2nd, 1924. B. T. FALLS, CLYDE R. HOEY, Coms.

School Children Take Pride In Their Work

12 in Fifth Grade Memorize 215 Bible Verses in One Month. Prizes Offered for Cleanliness.

A little rivalry among school children will accomplish wonders. Last month prizes were offered members of the fifth grades of the Shelby schools for ability to memorize Bible verses, cleanliness, neatness and politeness. This month Mrs. J. L. Ramsey offers one dollar to the fifth grader reciting the most Bible verses. Parents as well as the children are taking an interest in the competition as is evidenced by the prizes they offer.

Lillian Crow, small daughter of Mr. and Mrs. J. B. Crow, reports in the following rather unique and interesting way the prize work in the fifth grade of her school, LaFayette, last month:

"Twelve memorized 215 Bible verses last month. Lillian Crow memorized 69 verses. She won the prize of \$1 offered by Mrs. G. P. Farmer, Claude Brown Rippey memorized 60 verses.

"Mrs. Frank Rippey offered a prize of 50 cents to the pupil that won the most votes for being the cleanest and neatest looking for the past month. Mrs. Rippey has offered 50 cents next month to the pupil in the 5th grade that acts the most polite.

The following pupils had perfect scores on health habits for the past month: Mary Thornburg, Eva Ledford, Claude Brown Rippey, Wilburn McMurry, Lillian Crow and Ruth Jones.

Miss Wilkins gives either a small cake of soap or a small tube of tooth paste to the pupils each month that have perfect health scores."

LITTLE GIRL KILLED WHEN CAR HITS HER

Sarah Elizabeth Cassidy, six year old daughter of Mr. and Mrs. J. W. Cassidy, Jr., of Danville, Va., was almost instantly killed on North Main street there Monday when hit by an automobile driven by W. E. McLaughlin, Jr., aged 17.

The child was walking with her grandfather when she saw an ice cream wagon. He gave her a nickel and she sped to buy a cone. Receiving it, she started back in the path of McLaughlin's car, which struck her. She died a minute later in her grandfather's arms.

Eye-witnesses said the accident was unavoidable. McLaughlin is under \$1,000 bond. A tragic feature is that the Cassidy's lost their only other child by illness recently.

CHEERFUL WORDS

For Many a Shelby Household.

To have the pains and aches of a bad back removed—to be entirely free from annoying dangerous urinary disorders, is enough to make any kidney sufferer grateful. The following advice of one who has suffered will prove helpful to hundreds of Shelby readers.

Mrs. J. A. Dayberry, 522 S. Morgan street, Shelby, says: "I can recommend Doan's Pills as a splendid remedy. I used them when I had attacks of kidney trouble that caused me to suffer with dull, nagging back-aches that took my strength and energy. Mornings, especially I felt so run down; it was an effort for me to keep going. My kidneys didn't act right and I knew they were the cause of the trouble. I used Doan's Pills for these ailments. They soon restored my kidneys to healthy condition and the aches in my back left."

WOULD NOT MIND RUNNING AGAIN

Elzie Pruett, of No. 11 township, charged by the law with being a moonshiner, does not want to evade justice, but would offer no objections to having another two and one-quarter hour race with the officers, so he says. "Give me ten steps lead again and that bunch wouldn't have no more chance of catching me than a hobbled bull dog after a speed crazy rabbit," he declared.

Back in the first of March when a snow flurry blanketed the mountain section of the county a party of four prohibition officers ran up on young Pruett while "moseying" around his home section. A race ensued and after over two hours of mountain dodging, running and "back-tracking" that touched parts of two counties, Pruett was caught. The officers at the time gave the snow, which tracks so nicely, part credit for the capture, but Pruett gives it to the most credit.

Born and reared to ramble the hills and dales as only a native mountaineer can, Pruett is a little downcast over his capture. Not downcast because it brings him into the clutches of the law, but with a hurt pride at being caught on his own favorite and familiar range. "Had I not been sick for several days and that snow not been there them fellows would have been after me yet," he declared recently when he paid a visit to the Star office, "I was leaving them that day, but got off my ridge and when I back-tracked I ran into them and they hemmed me up." Prohibition Officer Hoyle, a member of the party, is himself a wary runner up the hills and down the dales, but Hoyle and the others can't catch him on "a dry day with ten steps to the lead" young

Pruett says, and after looking over the whipcord build of the young fellow we believe the race might last over two hours.

Gastonia Man Under A Serious Charge

Gastonia Gazette.

The issuing of a warrant for E. Levin on a charge of arson became known Monday morning when his attorney, Mr. A. G. Mangum, made application to Judge Jones in the municipal court for bond. Bond was fixed in the sum of \$500, but no time was set for the trial of the case, on account of the fact that Superior court is in session. It is understood that the charge against Mr. Levin is in connection with the fire which took place late one Saturday night some weeks ago in the Broadway Sample Shoe store on West Main avenue. The case will either be tried in the municipal court within the next few days or in case defendant waives preliminary examination, may go direct to the Superior court for trial.

Now in 100th Year.

"Granny" Ratchford, oldest resident of Gaston county and sister of the late lamented Rev. W. W. Ratchford who for many years was pastor of Bullock's Creek church, celebrated her 99th birthday last Saturday. She lives at the home of G. Rufus Ratchford in South Point township and despite her advanced years she continues to enjoy good health and has possession of her faculties. She has many relatives living in York county.—Yorkville Enquirer.

"I Never Give My Children Calomel"

"I used to feel it necessary to give the children calomel or castor oil," said one mother to W. L. Hand "but it was such a distressing procedure that often I lost the courage to give the dose."

"And the children would just fight against it."

"I bless the day that I learned of your Liv-o-lax. I find that it will do the same work in billious conditions as calomel and castor oil, and the children love to take it."

Liv-o-lax, a vegetable liquid preparation, may be had at any drug store and may be relied upon for adults as well as children in cases of indigestion, biliousness, constipation and similar disorders.

They have stood the test of time

Repeated counts made at service stations and on the road prove the large percentage of motorists who standardize on "Standard" products. After all the true test of an article is: "Does the public keep on buying it?" "Standard" products have stood this test for over 50 years.

Business men know the importance of time as the final test of the value of a product. Only those products survive which fill the public need year after year. Standard Oil Company's kerosene, lubricating oils, gasoline and greases have stood this test.

These products have been leaders in their respective fields for two generations. They are accepted as standards today. Why? Because they are produced by the most experienced refiners in the country, men who for 54 years have left no stone unturned to improve the quality of their products. The Standard Oil line is standard in fact as well as in name. You can make certain of getting the right oil or gasoline only by using the name. It is easy to remember.

STANDARD OIL COMPANY (New Jersey)

"STANDARD" Polarine Oils you can Trust. A definition—Standard—a definite level of excellence, attainment or the like—Murray's New Dictionary. The Balanced GASOLINE
