THE CLEVELAND STAR, SHELBY, N. C.

Every Year From Hail Storms.

Yes, right here in our own county, thousands of dollars are lost each year. BUT there is no need for such large losses to individuals.

TUESDAY, MAY 6, 1924

We will pay You for Losses caused by Hail

Every year we pay hundreds of dollars to Cleveland county farmers for damage done by hail. Last year we protected around two hundred farmers with our hail policy. Hail damaged a number of these, we paid them for the damage done.

You cannot afford not to Insure Your **Crops Against Hail Damage**

This year's rates are now in our hands, already many farmers have insured their crops with us. The cost is very small, and the protection is great. See us at once, write or 'phone.
