### GROVER NEWS NOTES OF LATE INTEREST

Mrs. Nancy Beam, Age 84 Is Criti-  
cally Ill. Mullinax Family Moving  
To Cherryville.

Grover, May 7.—Farm work is  
moving along nicely here. Many of  
the farmers are getting their cotton  
planted while others are making good  
headway with their work.

Several of our local fishermen re-  
turned from the waters a few days  
ago with a supply of the finny tribe.  
Most of the specimens they possessed  
had horns as well as fins.

Mr. J. F. Marquette, lecturer for  
the Grand Lodge of Masons in North  
Carolina is in Grover for the week  
lecturing the local lodge of Masons.

Several out of town people, friends  
and relatives attended the funeral  
of Mrs. C. C. Wallace at the Grover  
Baptist church yesterday.

Mrs. Nancy Beam, who lives with  
her son, Mr. W. L. Beam on the high-  
way east of Grover is reported to be  
seriously sick. Little hope is held out  
for her recovery. Mrs. Beam is near  
84 years of age is among the oldest  
residents of the community.

Misses Bessie and Lucy Turner  
spent part of last week visiting rela-  
tives in Charlotte. They returned to  
Grover Sunday accompanied by their  
brother Mr. Ellis Turner.

Mr. Charlie Martin left today to at-  
tend a meeting of Red Men at Marion.

Mr. R. C. Mullinax and family are  
moving today from Grover to Cherry-  
ville. We are sorry to lose these good  
people from our town. Mr. Mullinax  
has been in business in Cherryville  
for several months, but the family had  
remained in Grover on account of  
finishing the school session.

We are sorry to learn of the ill-  
ness of Mrs. Robert Moore. Mrs.  
Moore who has not been well for sev-  
eral days fell from the steps at her  
home a few days ago and suffered  
some severe cuts and bruises about  
the head. We understand that the in-  
juries, though painful are not con-  
sidered serious.

Mr. B. B. Crisp of Greenville, S. C.  
was a visitor in the home of his  
brother Mr. S. A. Crisp in Grover  
yesterday.

Rev. W. O. Johnson, who has been  
preaching at the Holly Grove school  
house for several months, resigned  
last Sunday afternoon and the con-  
gregation extended an invitation to  
the Rev. Mr. Lowe who is pastor of  
the church at Mt. Paran to give them  
an afternoon service. It is un-  
derstood that Mr. Lowe will accept.

**GAFFNEY NEGRO LIVES RIGHT  
ON WITH HIS NECK BROKEN**

Gaffney Ledger.  
George Nelson, negro who sustain-  
ed a broken neck in a 40-foot fall at  
the new high school building two  
weeks ago, is improving steadily at  
the City Hospital, it was stated yes-  
terday by Dr. S. B. Sherard, attend-  
ing physician. Nelson is now able to  
sit up, Dr. Sherard said. His neck  
is in a plaster cast, and the physi-  
cian expressed the opinion that there  
is a possibility that the fracture will  
heal.

**IT IS SERIOUS**  
Some Shelby People Fail to Realize  
the Seriousness of a Bad Back.

The constant aching of a bad back,  
The weariness, the tired feeling,  
The pains and aches of kidney ills  
May result seriously if neglected.  
Dangerous urinary troubles often  
follow.

A Shelby citizen shows you what to  
do.

J. F. Tate, Shelby Mill, says: "Some  
time ago kidney trouble came on sud-  
denly. My back was weak and there  
was a dull, heavy, aggravating ache  
across the small of it most of the  
time. When I sat down, I could hard-  
ly get up again. Black specks appear-  
ed before my eyes and I was so dizzy.  
I almost fell. Mornings I felt tired  
and run down. My kidneys were weak  
and caused a lot of annoyance, too.  
Doan's Kidney Pills, which I got at  
the Riviere Drug Co., relieved me of  
all this trouble and in a short time  
entirely cured me."

### "If Your Pain Is There, What You Need Is a Good Tonic For the Kidneys"

The kidneys are the scavengers and  
they work day and night in separat-  
ing and the poisons from the blood.  
Their signals of distress are easily  
recognized and include such symp-  
toms as lumbago, backache, depres-  
sions, drowsiness, irritability, head-  
aches, dizziness, rheumatic twinges,  
dropsy.

People are realizing more and more  
every day that the kidneys, just as  
do the bowels, need to be flushed  
occasionally. The kidneys are an  
eliminating organ and are constantly  
working, separating the poisons  
from the blood. Under this con-  
tinual and perpetual action they are  
apt to congest, and then trouble  
starts. Uric acid backs up into the  
system, causing rheumatism, neural-  
gia, dropsy and many other serious  
disturbances. It means that you are  
a victim of uric acid poisoning. Then  
ask your druggist for Anuric (anti  
uric acid) and you will very soon be-  
come one of hundreds who have been  
helped by this powerful enemy to  
uric acid.

Dr. Pierce manufactures Anuric  
(kidney-backache) tablets and you  
can obtain a trial pkg. by enclosing  
10c and addressing Dr. Pierce, In-  
valids' Hotel, Buffalo, N. Y.
