

Gaston County Plans Historical Pageant

Presentation Probably Last of June. Miss Setzer is Perfecting Arrangements.

Gastonia, May 27.—As the result of a conference held recently between Miss Pearl Setzer, of the Carolina Playmakers, and the chairmen of the several committees having the matter in hand, considerable progress was made toward perfecting arrangements for presenting an historical pageant of Gaston county.

Miss Setzer was highly pleased not only with the enthusiasm manifested by the promoters but also with the work which had already been accomplished. She left for Chapel Hill and will return to Gastonia June 9, for the purpose of beginning actual training of the cast. The presentation of the pageant will probably be the latter part of June, though the actual date has not been determined as yet.

This pageant, intended to present in dramatic form the history of Gaston county and this section of the state, will cover every period of its history beginning with the days of the original inhabitants, the Indians. It is to be prepared and presented under the auspices of the Gaston county Federation of Women's club.

At Saturday's meeting the several historical periods were assigned as follows, the woman's club in each of these towns to be responsible for putting on one period:
 Mount Holly—"The Indian Period."
 Cherryville—"Tryon County."
 Belmont—"Battle of Kings Mountain Major Chronicle's Part Therein."
 Lowell—"Early Settlers and Scene of the Pioneer Church."
 Dallas—"The Southern Home of the Confederate Period."
 Bessemer City—"Forming of the First Confederate Troops."
 Gastonia—"Growth of the Cotton Manufacturing Industry."

Under the supervision of the chairman, Mrs. W. B. Puett, of Belmont, all of the historical data covering these several periods has been gathered and was turned over to Miss Setzer.

Most real estate for business purposes is leased for 99 years. Why wouldn't it be a good idea to put marriage on the same basis. Charge of the Light Brigade."

Feverish Again

Every mother knows the nameless dread that comes whenever the little one turns up feverish, listless and without appetite.

Always the same anxiety, the fearful question—is it going to be scarlet fever, diphtheria or some other dangerous, contagious disease?

Every mother knows that a laxative is the first thing required, but too often the ordinary laxative fails to do a thorough job because it has not sufficient action on the liver.

Liv-o-lax meets the need because, besides cleansing the stomach and bowels, it clears out congested liver and so brings quicker relief.

Children love to take Liv-o-lax because it tastes good and does good. It is made only of pure vegetable ingredients, is not at all drastic and causes no distress.

You can get Liv-o-lax, 30c, at your favorite drug store.

HAND'S Liv-o-lax

Mrs. Josephine Arthur

Do You Need a Tonic?

Durham, N. C.—"About fifteen years ago two of my children had whooping cough so badly that afterward their lungs and bronchial tubes were affected from the strenuous coughing. They kept getting weaker and I believe would have had serious pulmonary affection had it not been for Dr. Pierce's Golden Medical Discovery. I gave them several bottles until they were entirely out of danger and well and strong. I would never hesitate in recommending Dr. Pierce's Golden Medical Discovery as a tonic after any prostrating illness, because it brings permanent strength."—Mrs. Josephine Arthur, 409 Toby St.

Obtain Dr. Pierce's "Discovery" now from your druggist, in liquid or tablet form. It can safely be given to little folks as it contains no harmful ingredient. Write Dr. Pierce, President Invalids' Hotel, Buffalo, N. Y., for free medical advice.

Gastonia Citizen Killed By Auto

Gastonia Gazette: Another fatal automobile accident occurred about nine o'clock Saturday night on East Ozark avenue when Mr. David Collins, aged 56 years and an employe of the Ozark Mills, died from injuries he suffered when struck by a small roadster driven by Jess Steele, young white man of this city.

The fatal accident occurred only a short while after there had been a collision at the same spot between a furniture truck belonging to the Rustin-Johnson Furniture Company and a big passenger bus belonging to Wright & Carpenter. No one was hurt in the collision, and the big bus had been driven off the street into a yard, while the furniture truck badly damaged, was still standing on one side of the street. A large crowd had gathered to view the results of the collision, but most of these had dispersed. Mr. Collins and a Mr. Weaver who lives nearby, were standing near the damaged truck, Mr. Collins probably leaning over, when the light car driven by Jess Steele, going east, ran directly into Mr. Collins, pinning him against the overturned truck. Mr. Weaver testified at the preliminary hearing that he himself escaped injury by jumping or dodging from in front of the approaching car. Mr. Collins was taken immediately to the Gaston Sanatorium, where he died within about twenty minutes. It was stated by the physician who attended him that both legs were broken at the hips, one leg broken about the knee, both arms broken and his body badly bruised, which, in the physician's opinion, indicated that he must have been struck with very great force by the car.

Free-For-All Scrap Over Dog Discussion

Lumberton, May 28.—Some excitement was caused late Saturday afternoon when what looked to be a free-for-all fight was staged in front of Grantham's drug store, on the corner of Elm and Fourth streets, John and T. Bass, Jr., and Brack Freeman being the leading participants.

The men had been standing on the corner talking for some time when the subject of fox dogs was brought into discussion. It was the contention of one of the party that "Trigger," a dog owned by Jack Edmund was a faster runner than a dog belonging to John Bass. One man said that "Trigger" would run faster than anybody's dog. This was denied and it is alleged that someone called somebody a liar. The fight started, but had gotten no further than about one-half of the first round when Messrs. Willis Britt, Prentice Barker and Javy Britt stepped in and persuaded the men to "cease firing," by holding them apart long enough for them to realize that they were violating the laws and the peace and dignity of the state and town. They were arrested and gave bond for their appearance in Recorder W. B. Ivey's court.

Bailey New Convert To Port Improvement

(Brock Barkley in Observer) Candidate J. W. Bailey's reported endorsement of the port commission's report is now likely to influence Governor Morrison to leave the recommended program to Mr. Bailey to prosecute in the event he is elected governor.

Bailey's approval of the commission's report was looked on in unfriendly circles as another shining example of the candidate's weakness for switching in his haste to grab opportunities.

Not many months ago, in an address at Wilson, Mr. Bailey treated the port development movement as a huge joke, poking fun and ridicule at it unceremoniously. At that time, his public utterance recorded him as unyieldingly hostile to the whole idea.

For that reason, champions of the port commission's recommendations, submitted to Governor Morrison and the council of state last week, are not willing to abandon the fight for a special session and leave the leadership to the new convert.

HEIRESS WEDS A LABORER SHE TAUGHT TO WRITE

An unusual romance reached culmination in Hornell, N. Y., with the announcement of the marriage of Miss Catherine Johnson, daughter of one of the wealthiest families of the city, to John Falzoi, laborer, whom she had been teaching to read and write.

Mrs. Falzoi is a graduate of Elmira College and had been a volunteer teacher in the Americanization night school, where her husband was a student. Falzoi, who gave his occupation as a laborer, was born in Italy and could neither read nor write when he came under the instruction of his future bride.

SUFFERED PAIN FOR YEARS

Mrs. Jahr Finally Relieved by Lydia E. Pinkham's Vegetable Compound

Howard Lake, Minnesota.—"I write to let you know that I have taken several bottles of your medicine in the last three months, and found it to be very good. I had pains and other troubles women have and was not able to do my work. Seeing your 'Ad.' in the paper, I thought of giving Lydia E. Pinkham's Vegetable Compound a trial. I got good results from it and feel able to do my housework now. I used to have lots of pains, but after taking the medicine I am relieved from pains that I had suffered from for years. I recommend the Vegetable Compound to my friends, and hope this letter will be satisfactory for you to publish."—Mrs. JENNIE JAHR, R. R. No. 2, Box 51, Howard Lake, Minn.

Grove's Tasteless Chill Tonic

Old Standard Remedy for Chills and Malaria. 60c

A honest man never claims to be just is.

After drawing up that report, General Dawes certainly deserves a four years' vacation in the vice-president's chair.—New York Herald Tribune.
