EXTENSION SERVICE URGES CLEVELAND FARMERS TO NAME THEIR FARM HOMES

AN ATTRACTIVE FARM ENTRANCE
MAX GARDNER'S MORPERACRE FARM

(Extension Service.)
A name-the-farm-and-home campaign is being put on in Cleveland county by the County Board of agriculture in cooperation with the extension service. Mr. O. M. Gardner, president of the board of agriculture, believes in starting at home and he has just erected a magnificent and beautiful sign at the entrance to his Morperacre Seed Farm on the Post road.

A good sign or column built of native rock or brick will add much to the farm or home. A column three feet square and five feet high at the entrance to your farm or home with the name of your farm on it built of native rock or brick lends much to beautify the home and farm.

In order to prevent duplicate naming of farms in the county you can have your farm registered for \$1.00 at the register of deeds office.

When you name your farm give it a name with a meaning by using your name or part of it with something on the farm or something it is noted for.

The following is a list of suitable names for farms:

- Alfalfadate, Beuna Vista, Beachwood, Breezy Point, Brookdale, Cedar Hill, Clearview, Clovercrest, Cloverdale, Elmview, Englewood, Elmhurst, Forest Grove, Grand View, Hazlenook, Hillhurst, Hill Crest, Hill Top, Ingle-side, Lake View, Lake Wood, Live Oak, Meadow Brook, Maywood, Maplehurst, Meadows, Meadowview, Oak Grove, Orchard Crest, Orchard Hill, Pinehurst, Rose Cottage, Rose-dale, Riverbend, Rose Hill, Spring Brook, Still Water, Sunny Slope, Sunnybrae, Sunnyside, Springdale, Shadow Brook, The Elms, The Cedars, The Crest, Valley Home, Woodside, Wild Rose, Walnut Cove, Wayside.

The following are the meaning of the prefixes and suffixes of farm names in common use:
Burn—A small stream.
Croft—A small farm.
Dale—A valley.
Downs—Sandy.
Glen—Valley.
Hurst—Wood or grove.
Ingle—Fireplace.
Lea—Grass land.
Villa—Pretty country.
Vista—View.
Wald or wald—Forest.

Blue prints for building columns for naming the farm will be furnished by the county extension service upon request.

(It is expected that many farm homes in this county will be named during the next two months and to cooperate in the plan The Star will publish the names of the farms named during the two months and the owners.)

Railroad Man Gives Facts In His Case

First Bottle Of Tanlac Put Cornatzer On Road To Recovery From Stomach Trouble.

The old adage "a stitch in time saves nine" is very forcefully illustrated in a statement regarding Tanlac made recently by S. D. Cornatzer, 1706 13th St., Lynchburg, Va., a railroad brakeman.

"It looked like I was going to have to quit work if I didn't find something to fix me up and I certainly count myself lucky that I got Tanlac.

"I could hardly eat a thing without having indigestion bad and I was so nervous that I couldn't sleep to amount to anything. Constipation was also bothering me. I had awful

brada-hes and was extremely weak and run-down.

"Before I finished my first bottle of Tanlac, I was eating everything and sleeping fine and six bottles left me feeling strong and fit for any work I don't want to get back in that condition again so whenever I feel a little run-down, I go straight for Tanlac. It's a great tonic."

Tanlac is for sale by all good druggists. Accept no substitute. Over 40 Million bottles sold.

DID YOU EVER STOP TO THINK ABOUT MUSIC

Did you ever think how much nicer home would be with some kind of music in it? We have the very thing you need. It is a Gulbransen Piano. You will want one in your home the first time you hear a roll well played. Music is something that attracts our subconscious mind. For instance, you go to a show to see the picture, but if the music was taken away you would feel as though something was missing. No matter where you go music is one of the things that helps to fill in the evening or helps bring your mind into a contented condition.

You can have the fun of playing the music you want—all the fun of playing it well—without hours of practice. Thousands are doing it. They'll tell you how easy it is. And those are the homes where there is real fun on tap, always. But that isn't all; it's good music to play. Play it any way that appeals to you. Fast, slow, soft—a sharply accented note here—quick riat of melody there—you can do anything on a GULBRANSEN—and do it easily.

Come in. Let us demonstrate it to you. No obligation.
