MAKE WORK EASIER

Shelby People Are Pleased to Learn How It Has Been Done.

It's pretty hard to attend to duties with a constantly aching back; with annoying urinary disorders. Doan's Pills have made work easier. So thousands have gratefully testified.

They're for bad backs. Shelby People gratefully recommend Doan's.

Ask your neighbor! C. W. McMurray, 517 S. LaFayette St., Shelby, says: "Doan's Pills put me on my feet when my kidneys were in a bad condition. I had backaches so I could hardly straighten or bend over. When I got through my day's work my back felt as if it were broken in two. I had headaches most of the time. My kidneys were never regular in action. I used Doan's Pills getting them at South Shelby Pharmacy. They were just what I needed and it wasn't long before my back was strong and well. I could do a day's work without my kidneys troubling me."
