FALLSTON SCHOOL HAD 210 ON OPENING DAY

W. H. Mitchell is Principal. Boys Are Interested in Athletics This Year. Personal Items.

(Special to The Star.) Fallston, Sept. 8.—After the long summer vacation, the school at Fallston opened last Monday morning with a large crowd present for the opening.

As the school is expecting to be placed on the accredited list this year, interest in the school is the greatest it has been in many years. The enrollment on the opening day was 210, with many others having said they would come if only transportation was given them.

Mr. W. H. Mitchell, who is principal of the school; Mr. L. O. Fisher, assistant principal; Miss Edna Dixon, Miss Victoria Boone, Miss Vernie Sue Williams, Miss L. Kendrick and Mrs. Hamrick make up the faculty.

Miss Vernie Sue Williams, a teacher in the Fallston graded school, spent the week end in Shelby with relatives.

Mr. and Mrs. Wilmot H. Mitchell accompanied by their little son, Wilmot, Jr., were business visitors in Shelby Saturday.

Mr. and Mrs. L. J. Fisher were business visitors in Shelby Saturday.

Mr. Talmadge Lee, manager and buyer of the Stamey company, has just returned from northern markets where he has been buying new goods.

Miss Long, milliner of the Stamey Co., has just returned from the Northern markets, where she has been buying new goods.

Mrs. J. B. Stroup has as her roomers this year, Mr. W. H. Mitchell, Jr., principal of the high school; Mr. L. O. Fisher, assistant principal of the school, and Miss Vernie Sue Williams, who is a teacher in the Fallston school this year.

The boys of the high school displayed their interest in athletics Friday afternoon by going into the archives of past history and bringing to light the basket balls of last year. The boys realize that this is not the right time for the game of basket ball, but as the number of high school boys makes football out of the question, they want to begin early and if the old saying "practice makes perfect" is correct, by the time that the season for basket ball is here, they should have almost reached the state of perfection.

They will be coached by Mr. Mitchell, principal of the school, and if the interest shown Friday is maintained, after the games, many an ambitious basket ball team will find their scalps hanging from the belts of the Fallston quintet. The girls, although greatly interested in the game, did not begin practice as early as the boys, as the weather was almost too warm for them. The girls are very fortunate in having the services of Miss Victoria Boone, and Miss Vernie Sue Williams, both of whom have been excellent players, and are now connected with the faculty of the school.

THE FALL SEASON

Is fast approaching and cotton will soon be on the market. The extremely dry season appears now to have brought about an early cotton season and many think a short one, but perhaps it will be better than we think now.

THE HARVESTING OF COTTON

Means a great deal to the people of our county for it is the "money crop" of Cleveland county. Many will have money "when they sell their cotton" who have not had any for many months.

AND IT SHOULD BE A GREAT DEBT PAYING TIME.

Make your merchant, fertilizer dealer, landlord or banker, or whoever has been helping you feel good by first "paying up."

Here are some timely suggestions for the thrifty for this season:

Pick your cotton as fast as it opens.

Don't leave it in the field at the mercy of the weather.

Market it as fast as possible until the debts are all paid.

Save all the feed stuff possible.

Sow rape and rye for the chickens.

Make your plans to sow oats and vetch.

PAY YOUR DEBTS if you have any, as fast as you sell your cotton.

SAVE ALL YOU CAN.

BANK ALL YOUR MONEY. Don't carry it around in your pocket or keep it at home.

Get close up with your farm work, so the whole family can take in the CLEVELAND COUNTY AGRICULTURAL FAIR, OCTOBER, 14, TO 18.

Since cotton will open up early, don't wait for note and account notices, but pay them as fast as you can and "clear the way" for new business.
