A Race Attraction For Cleveland County Fair

The above is a photograph of Near Beer, Moonshine and Dixie Flyer, three horses of the Spoorhase stable, in a spectacular race. These three steeds, who derived their names from the comic pages, will be among the daily attractions at the county's inaugural fair this fall, October 14-18. Another horse, Spark Plug, not pictured above, will also be in the races. This particular attraction is known as the "Great Rube Race Comedy" and will only be a side entertainment for the real races, horse for which are already being booked by Dr. Dorton, fair secretary.

Waco Land Brings Near \$200 Acre

Land near Waco is selling for nearly \$200 per acre, S. M. Green a well known farmer of Fallston has purchased the Guy Harrelson tract of 23 acres for \$4,200. Four years ago this farm sold for \$650. The main reason for the advance in price, however, is the fact that Mr. Harrelson has improved the land and built a handsome home and large barn on the farm. Mr. Green will move to it this fall.

Farm land that sells for around \$200 per acre is a big boost for Cleveland farmers in this section, which is now being widely advertised as a farming section. Development of land is the main feature however, of the Waco sale. Four years of improvement netted \$3,550, and the big increase in price is proof enough that a farm may be built up as well as a business.

we sometimes wonder how some folks can feel so self-important.

Some Stunt for Fair Race Fans

King B, one of the trotting wonders of the Spoorhase stable, will be the stellar performer during the fair races in the famous Cart-before-the-Horse Act, and will be driven by Prof. F. Spoorhase. King B holds the half mile record, 1:22, and the dangerous stunt is a thriller. Officials of the Spoorhase stable say that this race attraction draws more applause from race track spectators than any other. Among the other entries by Spoorhase will be the quartette of Guideless Racers in a race from wire to wire. These horses start, circle the track and come back to the wire without rider or driver and hold the record for time in the half mile.
