LEEPER, AUTO SMASH VICTIM, IS IMPROVED

Gus Leeper, son of Mr. and Mrs. W. A. Leeper, sr., of Belmont, who was seriously injured in an automobile accident, Saturday, today was reported improved at the Gaston sanatorium, where he is a patient.

Mr. Leeper is suffering from a fractured skull and has not regained consciousness since the accident. Physicians, however, believe the young man will recover unless complications set in. Today it was thought pneumonia might develop and every effort was being made to prevent this.
