Central Methodist Was Built Of KINGSPORTS

SEVEN MILLIONS IN THE CARO- LINAS IN 1923 WITH INCREASED SALES IN 1924.

...Kingsport Brick are made from Shale that is highly adaptable to the Ceramic Art, and lends itself to the expert Clay Worker in securing a blending color effect that has all the softness of the finest piece of Tapestry or the costliest Oriental Rugs. This quality, in conjunction with one of the largest and strongest Clay Working Plants in the country, with a well established policy of Service to the Architect, Owner and Builder, has won an appreciation that brought about the use of more than Seven Million of these brick in North and South Carolina during the year 1923 and showing an increase for the year 1924.
