## TOM MEIGHAN IN "WOMAN PROOF" AT THE NEW PRINCESS THEATRE TUESDAY

Comes the companion picture to "Back Home and Broke" when Thomas Meighan appears at the Princess in "WOMAN-PROOF". What is five thousand a year these days? That would not keep a woman in talcum powder. Remember what happened to Samson, Mark Anthony and Napoleon and then see this picture showing why man is not woman proof.

### WEDNESDAY

Comes a drama for every woman "WHAT SHALL I DO?" Denied by her husband—her last quarter spent for milk for her baby—the landlord threatening to turn her out. It's the story of what becomes of young mothers left alone in the battle of life. A picture to be seen by every wife, every mother and every mother's son.

### THURSDAY

The Princess will show the big knock-out—King Vidor's great "WINE OF YOUTH", based on the famous play "Mary the Third," and the story of a wild, reckless, care free generation of youngsters, of love and jazz. Mary meant no wrong. She thought that an experimental mating before marriage might determine which of the two she should marry. They all three went on a camping trip—but you must see the picture which warns parents not to deceive their children.

Other infectious diseases reported include one case of malaria and one case of scarlet fever.

## SURE PROOF

"I had shaken down my furnace. The ashes had been shoveled into the can. I noticed what I thought was a dead cinder on the floor. I picked it up to throw it with the others. Inside it was still red hot. My fingers felt like they were on fire. I rushed upstairs and poured LICARBO on my hand. The pain subsided at once and not a blister appeared. LICARBO is certainly the most wonderful preparation that I have ever heard of."

That man has never since been without LICARBO. It not only heals burns but cuts, scratches, bruises, insect bites, sunburn, foot and toe infections, prickly heat, chafing, rashes, eczema and all cases of skin affection of external origin. LICARBO kills all germs, prevents infections and heals the affected spot. It is a household necessity. Get LICARBO today from your druggist and be prepared.

and it relieved me.  
"About eight years ago my wife got down with liver and stomach trouble. . . We tried all week to help her, . . . but she didn't get any better. One day I said to the doctor, 'I believe I will try Black-Draught, it helps my liver.' He said that I might try it and to follow directions. She was nauseated and couldn't eat or rest. She began taking Black-Draught and in two days she was greatly improved and in a week she was up."
