**AN OPEN LETTER
TO WOMEN**

Tells of Mrs. Vogel's Terrible Suffering and How She Was Restored to Health by Lydia E. Pinkham's Vegetable Compound

Detroit, Michigan. — "My troubles were severe pains in my back and terrible bearing-down pains in my right side, also headaches and sleepless nights. I first began having troubles when I was 15, and they have increased as I grew older. A little booklet was left at my door, and I read what Lydia E. Pinkham's Vegetable Compound has done for women and decided to try it. After the first week I could go to sleep every night and I stopped having that nervous feeling and got a better appetite. The doctor had always said that an operation was the only thing that would help me, but I never had any faith in an operation. Since the Vegetable Compound has started helping me I do not suffer the severe pains, feel stronger, and am able to do my own work. I am more than glad to tell my friends that it helps where other medicines have failed."
— Mrs. GUS VOGEL, 6608 Pelouze Street, Detroit, Michigan.
A record of fifty years service must convince women of the merit of Lydia E. Pinkham's Vegetable Compound.

**Pension Increase
To Be At Least \$10**

Auditor Durham Now Making Computations; May Make Make Saving in Lists.
News and Observer.
State Auditor Baxter Durham is now preparing the list of Confederate pensioners for this year, and while the computations have not yet been completed there is assurance of an increase to each pensioner of at least \$10 a year, the largest there has ever been except in years when there has been an enlarged appropriation. Last year first class pensioners received \$155 from the pension fund which is an even million dollars.
Auditor Durham has "pruned to the bone" the present list which is under 9,000 names, there being between 600 and 700 on last year's list who are found not to be living now. However, there will be a number of names added next year when the county pension boards hold their annual meetings next July as the special session of the legislature authorized the placing on the lists of widows who married as

recently as 1898. The previous limit was 1880, but beginning next year it will be possible for widows who married 33 years after the war to get on the lists.
Auditor Durham proposes to ask the next legislature to designate the amounts to be received by each veteran instead of appropriating a lump sum to be distributed by him.
The auditor has received an offer to mimeograph the pension lists for about \$2,400, approximately half of the cost of printing last year. He has not yet acted upon the offer.

Card of Thanks.
In gratitude we want to thank our many kind friends and neighbors for their deeds of love and sympathy shown us during the sickness and death of our darling child, James Dwight. May our Heavenly Father richly reward and bless them all, is our earnest prayer.

**Community Fairs
Above The Average**

The community fairs held Friday at El Bethel and Saturday at Boiling Springs were above the average, according to R. E. Lawrence, farm demonstration agent. The canned goods, jellies, fancy work and the orchard fruits at El Bethel were especially good, equal in fact to many county fairs in variety and quality. The dairy cattle was the best this community has ever shown, notably three registered Jersey calves, clipped and fitted by the boys of the calf club in show shape. Poultry was also extra good at El Bethel.
The Boiling Springs fair was the best all-round exhibit ever held. The fancy work, pantry and dairy supplies

this year were notably good, while the farm and field crops ran better than last year, although last year was a better crop year than this. There was a splendid exhibit of poultry, while the races and basket ball games furnished amusement to the large crowd present.

**SOUTHERN RAILWAY
SYSTEM**
Keeping pace with North Carolina
North Carolina is setting a vigorous pace.
Government reports show that—
North Carolina, in twenty years, has made a gain in wealth from less than 700 million to more than four and a half billion dollars.
In ten years, while the rest of the country has gained 72%, North Carolina has added 176% to her wealth.
From less than 100 million dollars twenty years ago, the manufacturing output of the State has risen to nearly a billion dollars a year.
The value of farm properties is five times and the value of farm products nine times the value of twenty years ago.
Amazing has been the industrial advance of North Carolina. And the State has only just begun to grow. The progressive population which has capitalized this opportunity inevitably will carry the State forward to greater industrial activity and increasing prosperity.
The Southern Railway has had to keep pace with North Carolina, because industry cannot expand without adequate transportation facilities.
With courage and foresight, and an abiding faith in the future of North Carolina, the Southern has gone

Only Child Of Mr. And Mrs. McMurry Is Dead
The many friends of Mr. and Mrs. R. Lee McMurry of Lawdale R-4 will sympathize with them in the loss of their last and only child, James Dwight who passed away Saturday following an illness with pneumonia. The little child was only 14 months old. It was taken sick Wednesday and lived only a few days. Mr. and Mrs. McMurry lost another child last June

CAN YOU USE THIS LOT?
Fronts 100 feet on Charlotte-Asheville Highway, 130 feet on DeKalb Street, being a corner lot, one block of Court house square with fine prospects of increasing in value very fast. There are quite a few uses this lot can be put to. Its location on the main Highway and its present surroundings makes this lot valuable for most anything. It won't get any cheaper and the opportunity of getting close in property to the Square gets less each day. Price is \$7500.00. On South LaFayette street, fronting 50 feet with a depth of 130 feet we have a very fine lot that has prospects of increasing in value very fast. This lot is just across the TWENTY-FOOT alley from the Max Gardner Garage. The Ledford brick building, also the Weathers are directly in front. Business is rapidly moving South on this Street. The present structure on this lot will nearly pay the carrying charge of the price we are asking. See us for price.
