Fall Days
In The Woods.
These beautiful fall days are quite conducive for a ramble in the woods. The trees are glorious in their colorings and quite a number of the young people are taking advantage of this perfect weather by taking their lunch and books and spending a day in the woods. On Saturday Misses Smith and Thorne chaperoned some young people on one of these excursions. Wieners were roasted, marshmallows toasted and a most enjoyable day spent by these youngsters.

"Looker On" Writes of
Red Cross Roll.

The Red Cross roll drive is on. Have you joined and paid your dollar? There is always something, the writer knows, that the public is being asked for. Last week the cry "buy a movie ticket" this week "join the Red Cross roll." And if you do you will benefit one of the noblest causes and think what the many things the dollar will purchase for the sick, the needy and helpless. The dollar will be well spent you will show your unselfishness and benefit the poor. The Bible teaches us this great lesson. Cleveland county's poor will be benefitted, our children provided and taken care of by a competent purse and at this approaching Thanksgiving time, "Give and it shall be added unto you," "count your many

blessings" and see what God has done for you then bless some one else by contributing your dollar and wear the Red Cross badge of service and love.

Mr. A. R. Putnam's
77th Year.
A pleasant surprise was given Mr. A. R. Putnam Sunday while all the members of the family were away at church. His children, together with their children took in baskets of nice things to eat, prepared the table, had cheerful fires going and all the children making gladness when he returned. Mr. Putnam was 77 years young on that day. He and Mrs. Putnam are always grateful for any kindness shown them and this time they were over-joyed. We wish for them years of happiness.

The subjects of the program were: "Three Plays by Luigi Pirandello" and it was especially interesting to the club as these plays are being played in New York at the present time and one of the members had the pleasure of seeing Madame Simone the French actress play in one of these plays. Mrs. Royster, the first on the program gave an interesting account of the "Life of Pirandello," this was followed by Mrs. R. E. Ware who read a synopsis of the two plays. After the papers were laid aside Mrs. Hoyle served an elegant salad and sweet course.

Gained Ten Pounds

Mrs. George S. Hunter, of Columbus, Ga., says she suffered severely with female troubles. "I had to go to bed and stay sometimes two weeks at a time," says Mrs. Hunter. "I could not work. My... were irregular and I got very thin. I went from 126 pounds down to less than 100. My mother had been a user of

CARDUI

The Woman's Tonic

and she knew what a good medicine it was for this trouble, so she told me to get some and take it. I sent to the store after it and before I had taken the first bottle up I began to improve. My side hurt less and I began to mend in health. I took four bottles in all during the last ten months. Cardui acted as a fine tonic. I am well now. I have gained ten pounds and am still gaining. My sides do not trouble me at all and my... are quite regular. I know that Cardui will help others suffering from the same trouble." Take Cardui
