FORTUNE KNOCKS AT EVERY MANS DOOR ONCE IN A LIFE-TIME

But if you turn him away the next call is by his wife Miss Fortune who will ever follow in your footsteps to remind you of your cruel and silly conduct toward her husband. This lady will become very intimate with you in years to come and is likely to destroy the peace and happiness of your home. Are you going to yield to temptation and show the weakness of humanity and let the talk of the country be you and Miss Fortune or will you show good judgment and buy one of the farms I am offering for sale in these columns and end for all time your relationship with Miss Fortune.

These are bargains you will not find elsewhere.
