Lattimore Library Has 1074 Volumes

School Now Has an Enrollment of 365. Out of 14 Basketball Games, Only Two Are Lost.

(Special to The Star.) Lattimore, Jan. 11.—The Lattimore school continues to grow. The total enrollment is now 365.

As a result of a "book contest" recently held our library contains 1074 volumes.

A most delightful party was given at the school house Tuesday night, when the Newton Literary society and the third, fourth and fifth grades, the losers in the book contest, entertained the remainder of the school and faculty. Beulah Falls, president of the Newton society, proved a most efficient master of ceremonies. Early in the evening marshmallows were toasted and many games played around two big bon fires on the campus. Later an interesting program was given in the auditorium; more games were played, and delicious refreshments were served.

So far this season our basket ball boys have been very successful. Out of fourteen games played they have lost only two. Thursday afternoon

they defeated the fast Henrietta team on the local field; the score being 59 to 14 in their favor. Champion and McSwain were the stars of the game. The line up was as follows: Lattimore — Henrietta (29) Champion rf Edwards (18) McSwain lf Hawkins (4) (4) Harris c Mahaffee (7) (8) Farris rg Melton (2) Bridges lg West (1) John Kennedy is back in school after a two weeks stay in Florida. Griffin Davis has returned to school after a week's absence.

Miss Ruth Padgett spent the week end with Misses Irene and Imogene Wilson.

Mr. J. B. Lattimore is this week attending a meeting of the North Carolina Buick Manufacturers' association in Raleigh.

Mr. J. E. Francis and Mr. John Hunt recently returned from Tennessee.

The last number of our Iycum which was given Friday evening in the school auditorium was well attended and very much enjoyed.
