ROOFING TILE

Made here at home in Spanish design and in plain, red and green colors.

Use this tile on your roof. It is permapent and fire proof, also cheaper in the long run, because never has to be replaced and makes insurance cheaper. We manufacture building blocks, concrete drain pipe, win-dow and door sills and sell lime, plaster, cement and structural steel.

How to Use Milk.

Whole milk is the best form of milk for the child because all parts of milk -fat, sugar, protein, minerals, and vitamines-are necessary for growth. Children properly trained from infancy will drink milk at every meal. Most dislike for milk has been suggested to children by the parents' distaste for it.

Milk may be used in cocoa, eggnog, white sauce, milk gravy, creamed dishes, milk puddings, sherets and ice cream. - The Progressive Farmer.
