SICK WOMEN ATTENTION!
Read this Remarkable Testimony Regarding Results from Taking Lydia E. Pinkham's Vegetable Compound
Norfolk, Virginia.—"If you only knew how many women and girls have taken your medicine by hearing my testimony, it would seem wonderful to you. Every day and every chance I have I advise some one to try it. It was in June, 1904, when I had given up to never get well, that I wrote to you. My husband went to the drug store and brought the Vegetable Compound home to me. In a few days I began to improve and I have often taken it since. I am now passing through the Change of Life and still stick by it and am enjoying wonderful health. When I first started with your medicine I was a mere shadow. My health seemed to be gone. The last doctor I had said he would give me no more local treatments unless I went to the Hospital and was operated on. That was when I gave the doctors up. Now I am a healthy robust woman. I wish I could tell the world what a wonderful medicine Lydia E. Pinkham's Vegetable Compound is. I will be only too glad to answer letters from anywhere. I wish all sick women would take it."—Mrs. J. A. JONES, 317 Colley Avenue, Norfolk, Virginia.

Flu Rages in Holly Springs Neighborhood

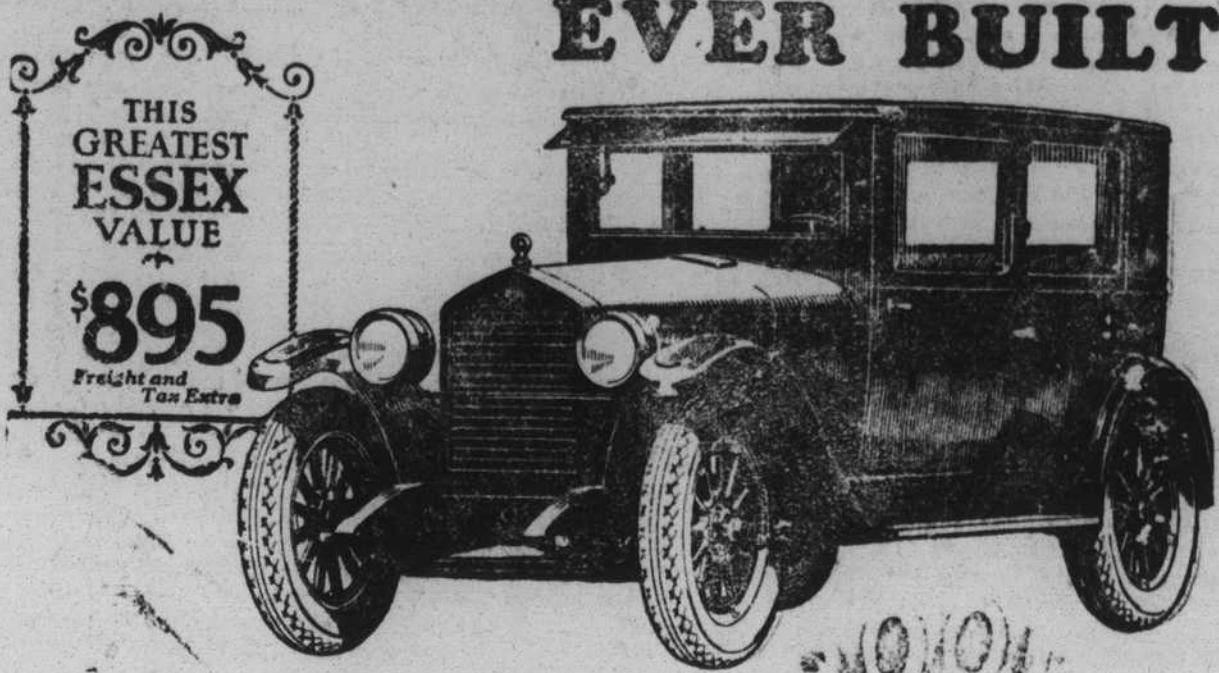

J. B. Swain Speaks in Interest of Co-operative Marketing. Personal Mention of Interest.
(Special to The Star.)
Holly Springs, Mar. 9.—Mr. J. B. Swain a Co-op man from Raleigh visited our school recently and made an interesting talk to the pupils. He offered a silver pencil to the pupil that brought the most people to his lecture the following night. Otis Scruggs won the pencil.
Flu is raging in our community. Following is the list of pupils who have been out of school sick: Dewey, Lonnie and Beatrice Summers, Gattie Humphries, Bernice Whelchel and Clara Mae Ruppe.
Miss Verna Byars a student at Boiling Springs and Messrs. Broadus Earls and Toy Summers, students at Cliffside high school have been ill, but we are glad to note are now rapidly recovering.
We regret that Mr. M. B. Earls, one of the school committeemen had the misfortune to fall through a bridge and break his ribs. We hope for him a speedy recovery.
Mr. Nicus Hicks our former teacher, now at Palmer school spent Thursday night at the home of Mr. M. B. Earls. Mildred Whisonant of the 7th grade spent Thursday afternoon in Boiling Springs.
Sarah Lovelace has left school and gone to work at Henrietta. We regret very much to lose her.
The Wednesday night singing at Camps creek have been discontinued owing to the lack of attendance.
We have only seven more weeks of school. Let us push forward and make these the best weeks of the term.

Dairying Business Worth Staying By

Since the close of the war, nearly all farm products have experienced a period of low or unprofitable prices. Cotton was one of the first to suffer, and last year wheat was the outstanding victim.
Dairy products, while suffering some reduction in prices, have held up well until recently. It is probable that they will take their turn in the depression, but being among the last to suffer, possibly the decline in prices will not be so great. In all lines of farming and especially in livestock farming in the South, the tendency has always been to change to some other line of production when there is a slump in prices.
Dairying has made a splendid increase in the South in recent years. Many have added the sale of milk or cream to the farm revenues with satisfaction. We are not yet milking one-fifth the cows we should, but possibly the progress or increase in dairying has been fast enough in many sections during recent years. But if now, when prices decline, we follow the usual course and quit the business, it will be a great mistake. When prices are low, one may not increase the number of cows, but the aim should be to produce the heifers necessary to increase the herd when better prices come. Certainly it is an mistake to quit the dairy business after a few years in that line, or it was a mistake to go into it at all.
When prices are low, only the good cows should be kept, and these should be more wisely and economically fed, but to quit the business means selling at a low price just bought or produced at a high cost.
It takes years to learn the dairy business and build up a high-producing herd, and no one should think of sacrificing his herd and changing to some other line when the recurring slumps in prices come.
We hope our Southern farmers who have recently started selling milk or cream will not make the mistake of closing out this line of work when prices decline. The thing to do is to keep the good cows, improve the production of the herd, care for it better, and feed it better and more economically, and have a good crop of heifers coming on two or three years hence when the better prices come. Anyone who goes through Denmark or Holland or Wisconsin and sees what the dairy cow has done for these sections will be slow to quit dairy production because of temporary depression in prices.

DETECTIVE'S HAT IS STOLEN IN COURTROOM
Charlotte News.
Wanted: The person or persons who Monday morning in police court in front of Judge Williams, and a half dozen lawyers, and other court officials stole Detective Alex West's hat.
While "Daddy" West, as the veteran city detective is known all over Charlotte was busily engaged in testifying in cases against defendants he and his brother officers had rounded up Saturday night and Sunday, someone took the officer's big black chapeau right out from under his nose and made a successful getaway.
Mr. West, when court adjourned, was wearing a hat that sat well upon his crown and failed to get in speaking distance with either ear. He admitted that somebody had swapped hats with him and promised that if the "thief" would at once return the missing chapeau he would refrain from starting a scolding party in search of the offending wearer of his missing headpiece.

THE FINEST ESSEX EVER BUILT

You Cannot Get Equal Style Performance and Reliability Within Hundreds of Dollars of Its Price

Essex is a totally different type. Its advantages are exclusive because patented. It gives results never before attained in any car:

- Low price, without disappointment in looks or reliability.
- Economy without sacrifice of performance.
- Stability and highest roadability without unnecessary weight.
- The riding ease of large, costly cars. The handling ease of a bicycle. Utter simplicity in design.
- The lowest maintenance cost, we believe, of any car in the world.

A Car You Will Be Proud to Own

These qualities make it the most wanted and largest selling car of its class in the world. It is the finest Essex ever built. It is the smoothest, most reliable Essex ever built. It is the best looking, most comfortably riding Essex ever built. And the price, because of volume, is the lowest at which Essex ever sold. Surely you cannot be satisfied with less than Essex offers when its cost is but little more than cars of the lowest price.

GROVER ITEMS OF RECENT INTEREST

(Special to The Star.)
Grover, Mar. 10.—Miss Mabel Fortune spent the week end with her mother at Forest City.
Mr. and Mrs. J. G. White have returned from a pleasure trip into Florida and Cuba. They report a pleasant time and many interesting observations and experiences.
Miss Mary Sue Hunt spent the latter part of last week in Grover.
Messrs Frank Sheppard and Lotius Ellis visited friends in upper Cleveland Sunday.
Mr. and Mrs. J. A. Ellis, Rev. and Mrs. Hoyle Love, and Miss Mary Sue Hunt attended the Missionary rally at Shelby last Friday.
Miss Ruby Ellis of Limestone college was convalescing with a cold at her home for several days last week.
Our community has experienced its first scares with mad dogs for the year 1925. It is reported that one started from down in some part of Cherokee county and came all the way out of South Carolina over into the old "North State" following the course of Kings Creek for some distance and then headed for Buffalo creek, but the pursuers with shotguns stopped him down near Mr. E. B. Herndon's Sunday afternoon. It is reported that many dogs were bitten and the head of the dead dog was sent to Raleigh so the people will know what disposition to make of the other dogs.
A mass meeting was held at Grover school house Monday night in the interest of cooperative marketing of cotton. Mr. J. B. Swain of Raleigh gave some interesting facts about cotton exchanges, their interference with the price of cotton when supply and demand should regulate the price, as well as other things. One feature of the meeting was a contest between six high school boys and girls to see who would get the most people to be present. Miss Louise Pinkleton was presented with a good fountain pen for the highest score while Miss Mary Crisp came second and won an Ever-sharp pencil.
Mr. Lawrence the farm agent for Cleveland county followed Mr. Swain and told about the things that were being done with storage houses for sweet potatoes and the advantage of selling them on the co-operative plan. Many farmers of the community have manifested an interest in the potato business and it is thought that a storage house will be built at Grover.
We are glad to note the fine interest that many of the pupils are taking in their work. Those that make above 90 on four major subjects and do not come below 80 on any item are placed on the honor roll. Our February list is as follows:
First grade: Gertrude Beam, Marjorie Bird and Ada Mae Moss.
Second grade: A. R. Bookout, Ethel Elliott, W. Y. Elliott, Margaret Herndon, Lucy Crisp, O. D. Moore, Hazel Moore, Louis Hamrick and Boyd Stacy.
Third grade: Pinkney Cook, J. B. Cook, Myres Hambricht, Elizabeth Gold, Nancy Jay Dillingham, E. B. Herndon Jr. and Nelson Beheler.
Fourth grade: Mary Anna Beheler, Dick Rollins, Aileen Crisp, Clyde Wallace, Everett Hambricht, Delmar Moss and Buren Randall.
Fifth grade: Annie Randall, B. M. Gold, Felicia Bell, Blanchard Horne.
Sixth grade: Mary Hambricht, Marie Herndon, Virginia Beheler, Alvah Bridges, Minnie Harry, A. G. Dillingham, Ervin Hambricht, Elena Randall, Clyde Randall.
Seventh grade: Marjorie Crisp, Franklin Harry, Malcolm George and Tyree Keeter.
Eighth grade: Eddie Byers, Leatha Beheler, Bessie Wells.
Ninth grade: Lottie Beheler.
Tenth grade: Mary Hester Ellis, Inez Davis, Sabelle Harry, Lois Moore and Evelyn Mullinax.

Belwood Electric Line Near Finish
(Special to The Star.)
Belwood, March 11.—The farmers of upper Cleveland are busy getting ready for the spring planting.
Our school is flourishing under the able management of Prof. C. G. Hodges assisted by Mrs. Homer Beam, Misses Willie Witherspoon, Susan White and Macie Lattimore.
The work on the Belwood Light Co. line is about completed. Mr. Ed Dixon deserves great credit for his perseverance in putting this modern improvement into our community.
Quite a number of our people attended the Training School for Sunday School teachers at the Methodist church in Shelby, last Sunday afternoon.
Mr. C. K. McMurry is very ill at his home. His many friends wish him a speedy recovery.
Miss Ola Canipe visited Mrs. Maggie Neason of Rockdale, Sunday night.
Miss Veva C. Spangler of Double Shoals visited Misses Inez and Ottie Mais Lutz Saturday night.
A man to whom a pledge means nothing is not one to tie to in any kind of a deal.
Automobiles are constantly being improved, but there is no perceptible improvement in the drivers.

BILIOUS ATTACKS

From Which Kentucky Man Suffered Two or Three Times a Month, Relieved by Black-Draught.
Lawrenceburg, Ky.—Mr. J. P. Nevin, a local coal dealer and farmer, about two years ago learned of the value of Theodor's Black-Draught Liver medicine, and now he says:
"Until then I suffered with severe bilious attacks that came on two or three times each month. I would get nauseated. I would have dizziness and couldn't work. I would take pills until I was worn-out with them. I didn't seem to get relief. After taking the pills my bowels would act a couple or three times, then I would be very constipated."
"A neighbor told me of Black-Draught and I began its use. I never have found so much relief as it gave me. I would not be without it for anything."
"It seemed to cleanse my whole system and make me feel like new. I would take a few doses—get rid of the bile and have my usual clear head, feel full of pep and could do twice the work."

Beauty and Health

MRS. BEULAH WALL
Gastonia, N. C.—"Dr. Pierce's Favorite Prescription is the best tonic and nerve that I have ever taken and I would never hesitate to recommend it to any woman who is ailing or nervous. I was weak and nervous after my first baby came, would have dizzy spells and backaches. I also had functional disturbances but after I started taking Dr. Pierce's Favorite Prescription my system became regulated and then my pains and aches disappeared. I took several bottles of Dr. Pierce's Favorite Prescription and was just as well and strong as a woman could wish to be."
